BALLOTS DUE BACK NOV. 16

Members at PG&E to vote on new 3-year contract offer

Closing Discussions: Assistant Business Manager Manny Mederos, lower photo, left, Negotiating Committee spokesman, reviewed offer with Committee members, and Business Manager Jack McNally during closing hours of negotiations at the Union Hall.

After months of hard hitting negotiations, the Local Union's General Bargaining team came to agreement on a tentative offer with PG&E on Friday, September 25 around 4 o'clock in the morning.

Subsequently the Local's committee reviewed and verified language of the bargaining table agreement in preparation for distribution to the membership for final consideration.

During October committee members went into the field to answer questions about specific issues at various Unit Meetings throughout the jurisdiction.

All the new contract language with explanations is included in this

issue of the Utility Reporter along with a statement from the General Bargaining Committee, and a detailed cover letter from PG&E.

Ballots were set to be mailed to members on Monday, October 26, and received back at the Local's Post Office Box in Walnut Creek, no later than 10 a.m. on Monday, November 16.

A ballot committee will oversee the tallying, and results will be reported to members immediately.

Election results will be available on the toll free phone number, 800-227-5607 when the final count has been determined on the Physical and Clerical contracts.

Accident claims life of Station Mechanic

Randy Beal, 34, a General Construction Station Mechanic, was electrocuted on October 1 at PG&E's Bellota Substation, 35 miles east of Stockton.

The fatal accident occurred when Beal and a partner were working in a bucket, 70 feet above ground, where they were converting 230 kv lines over to 500 kv.

An initial investigation indicated that although the lines were not energized, Beal suffered an electric shock from a "low-level induced current of unknown origin."

Following the 8:35 a.m. accident, Beal was rushed by helicopter to San Joaquin General Hospital where he died about 10 a.m.

Local 1245 Business Representatives Bob Gibbs and Mickey Harrington, and Assistant Business Manager Ron Fitzsimmons reported to the site to conduct an initial investigation.

Fitzsimmons immediately notified Federal OSHA and learned

that their representatives would not be available until Monday, October 5, to begin inquiry into the cause of the accident.

Subsequently Joan Anderson from Federal OSHA met with Business Representative Gibbs on the 5th, to proceed with the investigation.

The accident remains under investigation at this time.

Beal is survived by his wife and one child. Deepest sympathies are extended to the Beal family.

SMUD seeks wage freeze; Local readies for new talks

The IBEW Local 1245 committee for SMUD negotiations has been appointed. The committee consists of Sam Hill, Gary Hanson, Marilyn Hogaboom, John Platz, Dennis Seyfer, Bill Uphoff, Ike Williams, and from Union staff, Business Representative Gary Mai, and Senior Assistant Business Manager Darrel Mitchell.

The committee has been reviewing the current financial and political plight of SMUD. As a result of the problems of trying to get the Rancho Seco nuclear power on line, SMUD has been incurring a large debt and faces difficult financial problems.

Due to the financial problems SMUD is facing many possibilities including the selling off of the nuclear plant and/or other generating facilities, shutting down Rancho Seco, and having a part or all of the District sold to or taken over by outside entities.

On October 13, 1987, SMUD announced its intention to seek wage freezes for all employees for 1988.

A new General Manager has been appointed by SMUD and will assume his duties in November.

The Union has requested a meeting with the District in early November, after the arrival of the new General Manager.

'Positive Discipline' underway at PG&E

IBEW, Local 1245 has agreed to implement the "Positive Discipline" concept throughout the PG&E System.

The Union will be holding steward training conferences concerning the new procedure that replaces the current constructive discipline.

The program implementation schedule is:

- 11-1-87: Redwood Region
Humboldt Bay Power Plant
- 12-1-87: Pipeline Operations
- 1-1-88: East Bay Region
Steam Generation
Nuclear Power Operations
- 2-1-88: Sacramento Valley Region
San Joaquin Valley Region
- 3-1-88: Golden Gate Region
Mission Trail Region
- 4-1-88: General Construction
General Office

Copies of the complete agreement have been sent to all PG&E shop stewards and will be made available to members of Local 1245.

GENERAL NEGOTIATIONS COMMITTEE STATEMENT

To: All Local 1245 Members at PG&E

On September 25, Union and Company Negotiating Committees reached a tentative agreement to become effective January 1, 1988.

This offer represents 25 meetings and many hours of work by your Negotiating Committee. Considering the general bargaining environment of takeaways and givebacks, the political climate in the state and federal governments, and special interest group activities directed at the utility industry as a result of rising energy costs, it was a long, uphill battle to maintain our current level of benefits and to gain modest increases in wages.

Wage and benefit levels in comparison to other 9th District utilities have been maintained at comparable levels, notwithstanding the unprecedented move to give Clerical a lump sum bonus instead of the general wage increase the Physical unit will receive.

The Company Negotiating Committee was unwilling to set wages for 1990 due to the uncertainty surrounding a resolution of the Diablo Canyon rate case, which is not expected to be settled until late 1989.

Nevertheless, both Committees felt a three-year term is needed to maintain stability through an unsettled period of economic and political turmoil.

Based on these facts, your Committee feels this offer is worthy of the membership's consideration.

Attention: Mr. Jack McNally, Business Manager

Gentlemen:

This letter and its attachments will confirm the Company's understanding of the settlement reached on September 24, 1987, between the Company's Negotiating Committee and the Union's Negotiating Committee in the 1987 negotiations with respect to the IBEW Agreements between Company and Local 1245:

1. Wages

The Company will grant a general wage increase of two and three-quarter percent, effective January 1, 1988 and January 1, 1989, to employees covered by the Physical Agreement. Our customary rules of rounding will be followed. Employees covered by the Clerical Agreement will receive a two and three-quarter percent lump sum payment, to be applied at the end of 1988 and 1989, to be paid in January of the following year.

Effective January 1, 1988, the wage steps and starting rate for all new hires into beginning classifications as defined in Attachment C will be restructured. The starting rate, established on January 1, 1987 will be reduced by 12.5 percent. Each classification will have one additional wage step added to its progression, with the top step equal to the top step established on January 1, 1987. The interim steps will be restructured to provide equal distribution of the difference between the new starting and top step. (See Attachment C.) These rates will not apply to any employee who has a Service date prior to January 1, 1988.

For bidding purposes, the top rate of beginning classifications covered by the Physical Agreement will be the current top progression step (i.e. the one year step for Helper or Groundman).

GC classifications—Company agreed to maintain the 5 percent differential for eligible and comparable GC Classifications up to a total annual straight time cost of \$180,000. In applying this agreement adjustments will begin with the highest paid classifications and continue downward to the lowest paid classification until all comparable classifications have been adjusted or \$180,000 per year has been exhausted, whichever occurs first. A wage reopener was agreed to for both Physical and Clerical employees for 1990.

2. Extension of Pension Bands

The Company will provide Union extended Pension Bands at a later date.

3. Health Committee

The Company and Union will establish a task force to determine the most effective means of obtaining bargaining-unit employees' participation in HealthWise and, if appropriate, establish a pilot HealthWise Program in 1988 or thereafter.

4. Health Maintenance Organizations

The Company and Union will establish a task force to jointly establish guidelines and objectives for selecting future HMO contractors. The Company and Union will survey HMO's and HMO enrollees to determine whether HMO's are meeting the established philosophy. All phases of this joint study will be conducted by August 1, 1988 in order to be prepared for the 1989 open enrollment period.

5. Substance Abuse Program

The Company and Union will establish a pilot Substance Abuse Program for active employees and their dependents enrolled in the Blue Cross Medical Service Plan with the following conditions:

- Expenses will be covered at 100 percent per course of treatment.
- A course of treatment includes in-patient and/or out-patient benefits.
- No more than two courses of treatment in a lifetime.
- To be eligible for payment the employee or dependent must select from a list of pre-approved substance abuse treatment facilities or be under the direction of the Company's Employee Assistance Program.
- The Company will have the final selection of the Substance Abuse Administrator.
- The Company and Union will jointly review the Substance Abuse Program in 1988 to determine whether this program should be expanded to include Health Maintenance Organization enrollees.
- The Company and Union will jointly determine if a free-standing Mental Illness Plan should be established starting plan year 1989.

6. Retiree Open Enrollment

Every three years, beginning in 1987, the Company will provide retirees the opportunity to change health plans during the same open enrollment period offered to active employees.

7. Clerical Meals Clarification

An Ad Hoc Committee will be established to negotiate a clerical meals clarification to be completed by June 1, 1988.

8. Service Planning

Company and Union agreed that Operating and Customer Services clerical employees may be assigned New Business work. Customer Services employees currently assigned new business duties, but reassigned to the Operating clerical line of progression will be specifically named and by February 1, 1988

POINT OF VIEW

By Jack McNally

IBEW 1245 Business Manager

Time to review new settlement offer; then cast your vote

This issue of the Utility Reporter contains the provisions of the offer of settlement by PG&E. The ballots are being mailed to PG&E members for their consideration and vote.

This year's bargaining with PG&E is the first in an environment of unraveling, and uncertain utility regulation, and it is a fact that PG&E has lost some large commercial and industrial energy customers and faces a real threat to lose more.

This changing utility environment was constantly raised at the bargaining table and, along with the continuing saga of Diablo Canyon, was the Company's motivating factor in their proposals to reduce labor costs, and, as PG&E sees it, get wage rates more in line with comparable jobs in other industries.

The results of collective bargaining do not produce in total what either side sets out to accomplish, and this bargaining is no exception. This offer contains a modest wage increase and basically keeps the fringe benefits intact. It also provides the ability to institute work experiments to explore ways to improve efficiency and productivity along with enhancing the workplace. These projects will give our members at the workplace the right to participate in any changes that may be developed as a result of these experiments.

I believe this proposed settlement provides the means to utilize the collective brain power of those who do the work to find more efficient ways to do the work, while still maintaining the integrity of the collective bargaining agreement.

There is no question that over the next few years PG&E will be facing new challenges in the utility business. Strategies and decisions by management will be crucial to success in the market-driven environment. There is work to be done. It needs to be done reasonably and efficiently. Our members can do it reasonably and efficiently. The real test will be — can management manage reasonably and efficiently?

Your Negotiating Committee spent many hours of intense, agonizing bargaining in reaching this tentative offer of settlement. The committee members worked hard and put forth their best efforts in dealing with this year's difficult negotiations, and for that I salute them.

I encourage all PG&E members to review the contents of the offer which is contained in this issue of the Utility Reporter. Further, I urge each member to mark his or her ballot and return it in a timely manner so that we can get the greatest participation possible in the ratification process.

In Unity,

Jack McNally

If the grievance is not resolved in 30 calendar days following its being timely filed, either Company or Union may request "Certification to Fact Finding." If "Certification to Fact Finding" is not requested by either party, the Grievance shall be automatically referred to the **Region or G.O. Department** Joint Grievance Committee. (Amended 1/1/88)

The referral in either event shall be accompanied by the report referred to above. The referral shall also include either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating committee could not resolve the grievance.

If either party requests "Certification to Fact Finding," copies of the report and the request shall be forwarded to the Chairman and the Secretary of the Review Committee. If the Chairman and the Secretary of the Review Committee have rejected referral of the Grievance to Fact Finding within seven calendar days following receipt of the request, or if the request is not received within the seven calendar days following the expiration of time limits stated for resolution by the Local Investigating Committee, the grievance will be automatically referred to the Joint Grievance Committee.

(b) Within 15 calendar days following the filing of a grievance which does concern an employee's qualifications for promotion or transfer (except as provided above for Inter-**regional or G.O. Departmental** prebids or transfer applications), or an employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings as set forth in Subsection (a) above.

If such grievance is not resolved in 15 calendar days following its being timely filed, the grievance must be referred to and accepted by the Fact Finding Committee. The referral shall also include the report referred to above and either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance. (Amended 1/1/88)

STEP THREE FACT FINDING COMMITTEE

The Fact Finding Committee shall be composed of the Chairman of the Review Committee or his designee, the Secretary of the Review Committee or his designee, and the **Human Resources** Manager and the Business Representative involved in the preceding step.

The Fact Finding Committee shall hold hearings or meet at such places and times as it deems necessary to resolve the grievance. If the grievance is resolved by the Fact Finding Committee before the expiration of the 30 calendar days following the date of referral from the preceding step, the Committee shall issue an agreed-to "Memorandum of Disposition," copies of which shall be distributed to each member of the Committee and to the grievant, and such others as the Committee determines.

If the Fact Finding Committee has not settled the grievance within 30 calendar days following receipt of or acceptance of certification, it may, by mutual agreement of the Secretary and Chairman, be:

- (1) referred to arbitration; or
- (2) referred to the **Region or G.O. Department** Joint Grievance Committee; or
- (3) referred back to the Local Investigating Committee for further information and/or instructions as to the grounds for settlement; or

If none of the foregoing can be mutually agreed to, the complete grievance file shall be referred to the Review Committee. (Amended 1/1/88)

STEP FOUR REGION OR G.O. DEPARTMENT JOINT GRIEVANCE COMMITTEE

A "Joint Grievance Committee" shall be established in each geographical **Region or G.O. Department**, in the Materials Distribution Department, in the Pipe Line Operations Department and in General Construction. Each Committee shall consist of three members appointed by the Company and three members appointed by the Union except that the Committee appointed in General Construction shall consist of five members appointed by Union and five members appointed by Company. The three members appointed by Union to the Materials Distribution Committee shall include the member appointed to represent the office and clerical employees of such department. Employees who are appointed members of a Joint Grievance Committee shall be allowed only such time-off with pay as is necessary for attendance at the Committee's meetings. (Amended 1/1/88)

There shall be no permanently established Joint Grievance Committee for the Communications and Building Departments of Company's General Office, the Gas Meter Repair Facility at Fremont and Diablo Canyon Power Plant. Whenever a case is to be referred to a Joint Grievance Committee under this procedure in any of the above-named departments, a committee shall be established consisting of three members appointed by Company's Department Head and three members appointed by Union in addition to a Company-appointed Industrial Relations Representative and a Union-appointed Business Representative. The Committee thus established shall meet within ten workdays of its establishment and shall have all the duties and perform the name functions as a **Regional or G.O. Departmental** Joint Grievance Committee with respect to the grievance or grievances on its agenda. (Amended 1/1/88)

The Committee shall, within 30 calendar days following its next regularly scheduled monthly meeting date after receiving the referral and report of the Fact Finding Committee or the report of the Local Investigating Committee, whichever is applicable: (1) settle the grievance, or (2) refer the case to the Review Committee, or (3) either Company or Union may request certification from the Chairman and the Secretary of the Review Committee to refer the case directly to arbitration.

Any Grievance which is not so settled within 30 calendar days or if the Chairman and Secretary of the Review Committee have not approved a request for certification to arbitration within seven calendar days after receipt of such request, the grievance shall be automatically referred to the Review Committee.

A referral to Review Committee or request for certification to arbitration shall be accompanied by a joint summary of the discussions held at the **Region or G.O. Department** or General Construction Joint Grievance Committee meeting and a joint statement of the issues upon which they are in agreement, issues still in dispute and the reasons therefore, and the basis for settlement, if any advanced by each.

Notwithstanding all of the above in Step Four, **Region or G.O. Department** may, by mutual agreement between the Company's **Region or G.O. Department Human Resources** Manager and Union's Business Representative, elect to replace the Joint Grievance Committee with a **Region/Department** Joint Labor-Management meeting as outlined in Section 8.4 of the Agreement. (Amended 1/1/88)

ATTACHMENT B

November 13, 1984

Local Union No. 1245 International Brotherhood of
Electrical Workers, AFL-CIO
P. O. Box 4790
Walnut Creek, California 94596

This attachment B dated 11/13/84 replaces in its entirety the attachment B dated 5/15/80 that is already in the agreement under Title 102. (See page 37 of current agreement.)

Attention: Mr. Jack McNally, Business Manager

Subject: Revision of May 15, 1980 and June 18, 1980, General Construction Department Supplemental Grievance Procedure

Gentlemen:

Pursuant to the provisions of Sections 102.8 and 102.9, and following discussions with your representatives and General Construction, we propose the following revisions of the above—subject supplemental grievance procedure for General Construction:

I. LOCAL INVESTIGATING COMMITTEE

The Local Investigating Committee (LIC) for General Construction will be composed of the Department's Personnel Manager and the Union's assigned Business Representative or their designee. However, when investigations and/or interviews must be conducted in the field by the LIC, the Shop Steward and the Supervisor involved in the grievance will be allowed to participate in such investigations/interviews. Their participation will be in an advisory capacity, and they will not vote on the disposition of the grievance.

The LIC shall meet as soon as reasonably possible after the filing of the grievance. The LIC shall make a full and complete investigation of the pertinent facts and draft a report of its findings immediately following the conclusion of the investigation.

The grievance must be either settled or the report must be received by the Joint Grievance Committee within 60 calendar days following the filing of a grievance which does not concern an employee's demotion, suspension, discipline or discharge. Grievances involving the above enumerated matters shall either be settled or the report received by the Joint Grievance Committee within 30 calendar days following the filing of the grievance.

By mutual agreement, the time limits for the LIC may be extended 30 days if it is determined that further facts are required for grievances involving demotion, suspension, discipline or discharge.

The LIC report shall contain:

1. A statement of the dispute
2. A mutually agreed-to summary narration of all the events and factors involved in the dispute
3. The LIC's mutually agreed-to findings
4. A brief statement of position by Company and by Union
5. A brief statement on behalf of each party regarding facts, factors or findings that they have not agreed to
6. Signature of the report by each member

II. JOINT GRIEVANCE COMMITTEE

The functions of the Joint Grievance Committee (JGC) are set forth in Title 102

PHYSICAL/CLERICAL

of the Agreement. In addition to these general functions, the Committee will maintain a monthly agenda of all grievances at the LIC and JGC level. The nature of all grievances and their dispositions or status will be noted on the agenda.

Grievances referred to the JGC shall be disposed of in one of the following ways (within 120 calendar days following the filing dates of grievances which do not concern the employee's demotion, suspension, discipline or discharge; within 90 days for grievances involving the above enumerated matters or within 120 days if the LIC's time limits have been extended):

- A. By settlement
- B. By referral to the Review Committee

Referrals shall be accompanied by the LIC report as provided in I.

(1-6) and signed by at least one Union member and one Company member from the JGC.

III. LACK OF TIMELY DISPOSITION

It is the intent of the parties that the time limits set forth above for the disposition of grievances shall be strictly construed. Therefore, any grievance not disposed of in the times provided will be deemed to be filed with the Review Committee and subject, thereafter, to final and binding resolution or submission to arbitration by either party at that level.

IV. FINAL DISPOSITION

The disposition of a grievance in a manner provided above shall be final and binding on the employee, Company and Union.

In agreeing to the above supplementary grievance procedure, Company and Union understand that it in no way supplants the provisions of Title 102 of the basic Labor Agreement. For this reason, either Company or Union may terminate this procedure at the expiration of 30 calendar days following receipt by either party of such notice of intent. Should either party exercise the right to terminate, all grievances pending at the expiration of such time period will be adjusted on the basis of the provisions of Title 102 of the basic Labor Agreement.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,
PACIFIC GAS AND ELECTRIC COMPANY
By I. W. Bonbright
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.

If more employees elect a specific day as a floating holiday than can be permitted to be off on that day, the preference will be given in order of service to employees who sign up during the annual vacation sign-up. Under no circumstances may an employee with greater service "bump" an employee who has signed up for a given floating holiday earlier in the year. (Amended 1/1/88)

In no event shall the additional day be taken prior to the date of the holiday. By agreement between the employee and the Company, the employee may elect to take one day's pay at the straight time rate for each holiday that falls on his non-workday. Such election shall be exercised within ten workdays after the holiday falls on an employee's non-work day. The provisions of this Section shall not apply to part-time employees. (Amended 1/1/88)

103.7 WORK ON HOLIDAYS (PHYSICAL)

(Amended 1/1/88)

(b) (Deleted 1/1/88)

EXPLANATION: To make Clerical language read similar to Physical language by allowing an additional workday off with pay instead of holiday pay for certain employees. Also deletes the Birthday Holiday provisions which have been changed to a Floating Holiday. See 103.1(14.1).

As used herein, the term "area" means the geographic promotion-demotion area established by [the respective General Construction Department] **agreement between Company and Union** as indicated in Exhibit II, General Construction Promotion-Demotion Geographic Areas, which is attached hereto and made a part hereof. [Company will notify Union in advance in writing of any changes in the number of boundaries of such areas, but in no event shall an area be less than one Division.] (Amended 1/1/88)

EXPLANATION: 305.5(a): Amended to reflect that agreement between Company and Union is required before any Promotion-Demotion Geographic Area boundary can be changed.

TITLE 306. DEMOTION AND LAYOFF PROCEDURE

306.1 EMPLOYEES (TWO OR MORE YEAR SERVICE)

(c) Where referred to in this Title, the Promotion-Demotion Geographic Area shall be as listed in Exhibit II, General Construction Promotion-Demotion Geographic areas. [Such Promotion-Demotion Geographic Areas will not be changed during the period of an actual demotion or layoff, except upon letter of agreement between Company and Union. (Amended 1-1-80)] (Amended 1/1/88)

EXPLANATION: 306.1(c): Amended to delete language that allows Company to unilaterally change Promotion-Demotion Geographic Area boundaries and notify Union of Changes except during a period of layoff. Agreement now provides that agreement is required to change these areas.

306.6 RIGHTS TO [FILLING] A BEGINNER'S CLASSIFICATION [VACANCY] IN REGION [DIVISION]

An employee with five or more years of Service who cannot effect a demotion pursuant to Section 306.2 and who cannot effect a displacement provided for in Section 306.3, 306.4, or 306.5 may elect to:

(a) Fill a vacancy in a beginner's classification **in the Region** in the same normal line of progression (as set forth in Title 600 and Exhibit VIII and Exhibit A of the Agreement applying to Office and Clerical Employees) **as the one occupied by the employee at the time the initial Title 306 action began.**

EXPLANATION: 306.6(a): Amended to state that the beginner's classification vacancy (which may be any where in the system) into which a GC employee may be placed must be in the same line of progression as that which the employee held at the time the initial Title 306 action began.

GENERAL CONSTRUCTION

(b) If an employee cannot effect a placement in accordance with Subsection (a) above, he may displace the Region employee with the least Service in a beginner's classification in the same normal line of progression as the one occupied by the displacing employee at the time the initial Title 306 action began, providing such displacing employee was a journeyman or higher at the time the initial Title 306 action began. The General Construction employee may not displace a Region employee whose Service is greater than his own. A journeyman is defined as a classification having a formal negotiated training program.

EXPLANATION: 306.6(b): Amended to provide a new job security option. An employee who was at the time a demotion action began in a journeyman or higher classification and who had exercised all the options available in GC under Title 306 could displace into a beginner's classification in a Region. The displacing employee would displace into the beginner's classification in the same line of progression as occupied by that employee at the time the initial Title 306 action began and would displace the junior employee in the system in that beginner's classification.

(c)[a] In the application of this Section, [an] the General Construction employee **within the 10 workday lay-off notice period** must be able to meet the same qualification requirements that [Division] Region employees must meet.

EXPLANATION: 306.6(c): Amended to provide that an employee seeking placement in a vacant beginner's classification under this Subsection or displacing into a beginner's classification under Subsection (b) above must meet the qualification requirements for that position during the 10 day lay-off notice period.

(d)[b] An employee who enters a beginner's classification under the provisions of this Section [shall]:

(1) shall not have any rights under Section 206.9, but shall have accelerated rights to return to his or her former classification and department of General Construction or to a successively lower classification in the normal line of progression to such classification. **If the employee declines to return, he loses Section 306.9 rights.**

(2) may return to another General Construction Department if he can be placed within any such General Construction Department within one year from the date of displacing into a Region beginner's classification.

EXPLANATION: 306.6(d): Amended to clarify that an employee placed into a Region beginner's classification does not acquire accelerated promotional rights in the Region under Section 206.9 but does have such rights to his former classification and department in GC, pursuant to Section 306.9. If such employee has an opportunity to return to GC and declines, the Section 306.9 rights will thereafter be lost.

(e)[c] A placement into a Region vacancy under the provisions of this Section shall count as a transfer under the provisions of Subsection 205.5(b) or Subsection 18.5(b), as appropriate. [Amended 1-1-84] (Entire Section amended 1-1-88)

EXPLANATION: 306.6(e): Amended to clarify that placement into a Region vacancy under Subsection 306.6(a) will count as a transfer pursuant to Subsection 205.5(b) or Subsection 18.5(b), but a displacement under Subsection 306.6(b) would not count as a transfer.

306.11 SUPERVISORIAL DEMOTION

When by reason of lack of work in his Department, the Company demotes into a classification in the collective bargaining unit a supervisor or other employee who was not at the time of demotion a member of such unit, such employee shall be placed in the classification held prior to leaving the bargaining unit consistent with the provisions of Subsections 306.1(a) and (b) and thereupon be entitled to exercise the rights set forth in this Title. (Amended 1/1/88)

EXPLANATION: 306.11: Amended to provide that when a nonbargaining unit employee demotes into the bargaining unit due to lack of work, such employee cannot be placed into a classification higher than that which he held while in the bargaining unit. Also provides such demoting employee must be qualified to perform the duties of the classification to which he is demoting and further provides such demoting employee cannot displace an employee with greater Service.

306.12 [DISPLACEMENT] DEMOTION INTO UNIT FROM OUTSIDE

(a) Unchanged.

(b) In no case shall such demoted employee be placed into a classification that is higher than the classification held prior to leaving the bargaining

unit subject to Subsection 306.1(a). [such employee would have obtained on the basis of Company service had he remained in the bargaining unit.] [(Added 1-1-84)] (Amended 1/1/88)

EXPLANATION: 306.12(b): Amended to provide that when a nonbargaining unit employee demotes into the bargaining unit for any reason other than for lack of work, such employee cannot be placed into a classification higher than that which he held while in the bargaining unit. Also provides that such demoting employee must be qualified to perform the duties of the classification into which he is demoting. Seniority isn't a consideration inasmuch as displacement is not permitted under this Section.

306.15 TECHNOLOGICAL CHANGES

Company shall continue to provide Union with as much notice as practicable of technological changes in its business which may have a significant effect on its workforce. In such circumstances, Company and Union shall then meet to study and endeavor to adopt appropriate solutions, such as retraining or special training, as may be practicable before Company implements the provisions of Titles 206, 306, and 19 of the Physical and Clerical Agreements. (Entire section added 1/1/88)

EXPLANATION: To have the Company provide the Union with notice of technological changes which will have an effect on its workforce.

Company shall not be required to pay overtime compensation more than once for any single period of time worked. **Each overtime period worked shall be compensated to the nearest one-quarter hour.** [Overtime shall be cumulated each day and shall be compensated to the nearest one-quarter hour.] (Amended 1/1/88)

EXPLANATION: 308.1: Amended to provide that an employee is entitled to pay at the overtime rate of pay for each period worked, rounded to the nearest one-quarter hour, rather than accumulating overtime work each day and paying for the cumulative total.

308.2 RATE AND DOUBLE TIME CONDITIONS

(c) If, following an employee's dismissal from work or on an employee's non-work day or holiday which the employee is scheduled to have off, the employee is called out for work, he shall be paid at two times his straight rate of pay for all work performed outside his regular scheduled work hours or on a non-work day or holiday which the employee is scheduled to have off (Amended 1/1/88)

EXPLANATION: To clarify that call-out work on holidays is paid at the double-time rate of pay.

308.4 COMPENSATORY TIME OFF

Employees shall not [be required to] take equivalent time off during a workday in lieu of overtime compensation. (Amended 1/1/88)

EXPLANATION: 308.4: Amended to reflect intent by deleting "be required to".

308.8 PREARRANGED OVERTIME

When, at the request of the supervisor in charge, an employee reports for prearranged work (1) on workdays outside of his regular work hours, he shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond his regular work hours he shall be paid overtime compensation only for travel time from his living quarters and for actual work time up to regular work hours unless the provisions of Section 308.14 are applicable; (2) on non-workdays outside of his regular work hours, he shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond regular work hours, travel time only from his living quarters shall be paid for; and (3) on non-workdays during regular work hours he shall be paid overtime compensation only for actual work time. For the purpose of this Section prearranged work shall be deemed to be work for which advance notice has been given by the end of his preceding work period on a workday. **However, Company shall make a good faith effort to notify the employee at least 24 hours in advance of the need to perform prearranged overtime work on non-workdays or holidays.** (Amended 1/1/88)

EXPLANATION: 308.8: Amended by adding language requiring local supervision to make a good faith effort to notify employees at least 24 hours in advance of the requirement to work prearranged overtime on weekends or holidays.

BIDDING AND DEMOTION PROCEDURES PHYSICAL/CLERICAL

TITLE 205 — JOB BIDDING, PROMOTION AND TRANSFER TITLE 18 — JOB BIDDING, PROMOTION AND TRANSFER

EXPLANATION: Amend to have system-wide prebidding and to eliminate postbidding. Maintained the same A,B,C,D, and E order of preference by geographic "Bidding Units" with the same geographical boundaries as the "old" Division boundaries. The exception is that Hydro Generation is now a separate "Bidding Unit" and treated like a new, separate "old" Division. Current Substation and Hydro Helpers will be allowed to prebid either Substation or Hydro Apprentice classifications, and current Hydro Electricians will be allowed to prebid either Substation or Hydro Electricians. The first Apprentice bid award will then determine their department bid status as either Substation or Hydro, and the Hydro Electricians are allowed only one "B" bid award to Substation Electrician.

Changed to allow the Company to not consider for six months prebids to the same job at the same headquarters that an employee has refused to accept a job award to.

On filling a temporary vacancy, if there are no qualified prebidders at the headquarters/yard, it may be offered to the senior qualified prebidder within a commutable distance (30 miles or 45 minutes road time) from the headquarters.

205.1(18.1) INTENT

(a) The provisions of this Title shall be interpreted and applied in a manner consistent with the parties' purpose and intent in negotiating the job bidding, transfer, and promotion procedures contained herein, namely that when employees are qualified by knowledge, skill and efficiency and are physically able to perform the duties of a job, the employee with the greatest Service shall receive preference in accordance with the sequence of consideration outlined in Subsection 205.5(b)(18.5(b)), and Section 205.7(18.8) for an appointment to fill a vacancy, and that Company shall endeavor to expedite the filling of job vacancies. (Amended 1/1/88)

(b) Unchanged.

(c) A vacancy created by an employee's absence on "leave" or by reason of industrial disability shall be deemed to be a temporary vacancy. (Added 1/1/88)

205.3 FILLING TEMPORARY VACANCIES

(a) Unchanged.

(b) If the vacancy cannot be filled as outlined in (a) above, and the Company still desires to fill the temporary vacancy, the senior qualified prebidder residing within a commutable distance (30 miles or 45 minutes road time) from the headquarters shall be offered the vacancy. (Added 1/1/88)

(c) Except in limited circumstances where the requirement is justified, temporary vacancies shall only be filled by employees who have qualified for such promotion in the same manner as would be required if the employee were to fill the job vacancy on a permanent basis. (Amended 1/1/88)

18.3 FILLING TEMPORARY VACANCIES

(a) Unchanged.

(b) If the vacancy cannot be filled as outlined in (a) above, the senior qualified prebidder residing within a commutable distance (30 miles or 45 minutes road time) from the temporary headquarters shall be offered the vacancy. (Added 1/1/88)

(c) Exhibit A, of this Agreement, is a listing of the Clerical Lines of Progression for the Regions and Departments, setting forth the Lines of Progression for the classifications as referred to in Title 2, Section 2.1, of this Agreement. (Amended 1/1/88)

205.4(18.4) PREBID PROCEDURE

Any regular full-time employee of Company may submit a prebid on any existing job classification and headquarters for which the employee desires consideration in accordance with the following procedure:

(a) Eligibility: To be valid, an employee's prebid must be entitled to preferential consideration under the provisions of 205.7(18.8). A list of existing classifications by headquarters with appropriate prebid numbers is

available in each headquarters where employees in the bargaining unit regularly report for work.

(b) Unchanged.

(c) Unchanged.

(d) Timeliness: Company shall not consider any prebid which was received by Company less than eight calendar days prior to the date the fully authorized job vacancy report was received and date stamped by the local Human Resources Department to fill a job vacancy in the classification and headquarters on which the prebid was made. Only those prebids valid as of the date stamped on the job vacancy report will be considered to fill such vacancy. Subsequent prebids may be considered only after that list has been exhausted. At that point where there are no qualified prebids on file, Company will have 60 days to fill the vacancy under the provisions of Section 205.13(18.15). (Amended 1/1/88)

(e) Unchanged.

(f) Acknowledgement: Company will acknowledge receipt of all prebids within 15 calendar days from the date of receipt and without rejecting the prebid notify the employee in writing of any known reason which might preclude the employee's filling the classification on which the employee has submitted a prebid, including information regarding testing programs which must be completed. Information on whether or not an employee has completed such programs is available from the employee's Human Resources Department.

(g) Cancellation of Prebids: Prebids are valid for a period of one year from the date of receipt or until such time as the employee changes classification and/or headquarters, or until such time as the employee rejects an appointment to the classification and headquarters (and shift, if appropriate) on which the prebid was made. Company will notify an employee of the cancellation of employee's prebids as indicated below. Cancellations shall be effective as follows:

(1) at the expiration of one year from the date of the prebid and after 15 calendar days' advance notice from Company.

(2) upon the employee's declining an appointment to the classification and headquarters on which the prebid was submitted and after 15 calendar days' advance notice from the Company.

(3) 30 calendar days after any employee's change of headquarters or classification which does not affect his or her status as a prebidder, and after 15 calendar days' advance notice from Company.

(4) immediately upon an employee's change of classification and/or headquarters which affects his or her status as a prebidder.

(5) immediately upon receipt of authorization from an employee to cancel a prebid, or

(6) upon receipt of authorization from the local Human Resources Department to cancel prebids because a job is deleted from the directory or an employee improperly designates rights, as provided in Section 206.9(19.9), with notification to the employee by the local Human Resources Department of such cancellation. In the latter cases, if appropriate, the employee's prebid will be given 205.7(b) or (c) (18.8(b) or (c)) consideration for 15 calendar days from the time the local Human Resources Department notifies employee of such cancellation. (Amended 1/1/88)

(h) New Jobs at a Headquarters: The Company shall post, on all bulletin boards throughout the System, a notice describing all new classifications at existing headquarters or any job at a new headquarters in the Company, on the first or fifteenth of any month, as soon as such jobs are authorized to be filled. Such notice shall remain posted until the next Directory listing the new classification is posted on the bulletin board, but not less than 15 days. If no prebids are received 18 days after the date shown on the notice, or at the point there are no qualified bids on file, Company will have 60 days to fill the vacancy under the provisions of Section 205.13(18.12). (Amended 1/1/88)

(i) An employee who is the senior, qualified bidder to more than one vacancy, which is currently being filled, shall be given the option of accepting the classification and headquarters desired. (Added 1/1/88)

205.5 FILLING BEGINNER'S CLASSIFICATIONS

(c) Company shall make unrestricted appointments in filling one-half of the vacancies in beginner's classifications. An employee who is the senior, qualified transferee to more than one vacancy, which is currently being filled, shall be given the option of accepting the classification and headquarters desired. (Amended 1/1/88)

BIDDING AND DEMOTION PROCEDURES PHYSICAL/CLERICAL

18.5 FILLING BEGINNER'S CLASSIFICATION

(b) Company shall make unrestricted appointments in filling one-half of the vacancies in beginner's classifications or one-half of the vacancies in regularly scheduled part-time jobs at any headquarters. **An employee who is the senior, qualified transferee to more than one vacancy, which is currently being filled, shall be given the option of accepting the classification and headquarters desired. (Amended 1/1/88)**

205.6(18.7) FORFEITURE

If an employee is the senior qualified bidder for a job vacancy and turns down a bona fide offer for such vacancy, such employee's prebid or transfer application on such vacancy shall be cancelled. Such employee's prebid or transfer application to such classification and headquarters need not be considered for a period of six months. Exceptions to the aforementioned will be as follows:

(a) Such employee shall retain rights to consideration for appointment under Section 205.13(18.12); and

(b) Employees with preferential bidding rights under Title 206(19) shall not be subject to the provisions of this Section. (Amended 1/1/88)

205.7 SEQUENCE OF CONSIDERATION

Whenever a vacancy occurs in any job classification which the Company intends to fill on a regular basis, Company shall fill it by award as soon as practicable. Prebids on any job covered by this Subsection shall be given preferential consideration in the following sequence:

(d) Bids made by any regular employee in the physical or clerical bargaining unit within the Company.

(e) Bids made by any regular employee of Company. (Entire Section amended 1/1/88)

205.8 SEQUENCE OF CONSIDERATION - PREBIDS ON CERTAIN TRAINING CLASSIFICATIONS (Entire Section deleted 1/1/88)

205.9(18.9) PREFERENCE BY LENGTH OF SERVICE

(a) When employees in the same preferential sequence as provided in Section 205.7(18.8) are each qualified by knowledge, skill, efficiency, adaptability and physical ability for appointment to a job, the bid of the employee with the greatest Service shall be given preference for appointment. (Amended 1/1/88)

(b) In the event a conflict arises as to seniority between two (2) or more employees whose seniority date is the same, the following will be the sequence of consideration for the purpose of a tie-breaker:

1. any prior service as a Company employee shall be taken into consideration and the employee whose prior service is greater shall be deemed to have the greater seniority;
2. the employee who first successfully completed all pre-employment tests shall be deemed to have the greater seniority; or
3. the employee whose application was first filed with the Company will be deemed to have the greater seniority; or
4. the parties will determine which employee is deemed to have the greater seniority by a mutually agreed-upon method of chance, such as a coin flip. (Added 1/1/88)

18.8 SEQUENCE OF CONSIDERATION

Whenever a vacancy occurs in a job classification listed in Exhibit F, which the Company intends to fill on a regular basis, preferential consideration shall be given in the following sequence to a prebid submitted by any regular employee who is in a classification listed in Exhibit F, and those classifications listed in Exhibit A:

(a) Bids made by employees who are entitled to preferential consideration under Section 19.9.

(b) Bids made by regular employees in the **Bidding Unit** and in the Line of Progression in which the vacancy exists, who are:

- in the same classification as defined in Exhibit A, "Clerical Lines of Progression," as that in which the job vacancy exists, or

- in classifications which are higher thereto, or
- at the top rate of pay of the next lower classification.

(c) Bids made by regular employees who are:

- in the same classification as defined in Exhibit A, "Clerical Lines of Progression," as that in which the vacancy exists, or
- in classifications which are higher thereto, or
- at the top rate of pay of the next lower classification.

(d) Bids made by any regular employee in the physical and clerical bargaining units within the Company.

(e) Bids made by any regular employee of Company. (Entire Section amended 1/1/88)

205.12 DESCRIPTION OF EXHIBITS VIII and IX

(a) Attached hereto, made a part hereof, and marked Exhibit VIII, is a list entitled "Job Comparisons" in which are listed certain classifications in General Construction, and opposite each, the classification in the **Region or G.O. Department** which is deemed the same as the former for the purpose of Section 205.7. (Amended 1/1/88)

(b) Attached hereto, made a part hereof, and marked Exhibit IX, is a list of "Classifications" in the different departments which are considered as the same for the purposes of Sections 205.7 and 206.4. (Amended 1/1/88)

(c) Unchanged.

If Company does not within the time provided in Section 18.4 receive any bids on a job which has been **authorized for filling**, or does not receive a bid from an employee who possesses the qualifications set forth in Section 18.11, it may in its discretion make a final appointment to such job. (Amended 1/1/88)

205.13 APPOINTMENT TO UNBID VACANCY

In the absence of a Journeyman Qualifying Examination, the appropriate Apprenticeship or Training Qualifying Examination shall be given. (Added 1/1/88)

205.15(18.14) NOTIFICATION TO UNION OF BYPASS

When an employee is to be appointed to fill a job vacancy in preference to an employee with greater Service, as provided in Section 205.7, Company shall notify Union of the decision prior to such appointment. (Amended 1/1/88)

205.20(18.18) POSTING OF JOB AWARDS

(a) (Deleted 1/1/88)

Company shall post biweekly on the bulletin boards in each headquarters within the System a list of all job awards made through prebids and through transfers since the last list was posted. Such list will include the job vacancy number (where appropriate) and headquarters, the appointed employee's name and Service, and the Agreement Section relied upon for the award. (Amended 1/1/88)

205.21 TOP RATE OF PAY OF THE NEXT LOWER CLASSIFICATION

For the purpose of clarification, the "top rate of pay of the next lower classification" is defined as the top wage rate of that classification which has the lowest maximum wage rate of the group of classifications combined and indicated as the next lower to any particular higher classification.

To be entitled to preferential consideration under Subsection 205.7(b) or (c), except as otherwise provided in any applicable apprenticeship agreement, an employee receiving the "top rate of pay of the next lower classification" as defined above must have worked in such listed "next lower classifications," or the "same or higher classifications" for a period of time equal to or greater than the time required to progress from the starting wage rate to the top wage rate for that "next lower classification" having the lowest maximum wage rate.

Where a clerical classification is among a group of classifications listed in Exhibit VI as "next lower" in a physical line of progression, the physical classification with the lowest maximum wage rate shall prevail in determining the amount of time required to be worked in such listed "next lower classifications." (Amended 1/1/88)

205.22(18.20) QUALIFICATIONS FOR GENERAL CONSTRUCTION EMPLOYEES BIDDING/TRANSFERRING TO REGION OR GENERAL OFFICE DEPARTMENT JOBS

An employee in General Construction must pass the appropriate agreed-to employment test battery before the employee's bid to fill a job vacancy in a **Region or General Office Department** under the provisions of Title 205 will be considered.

Such employee shall be entitled to two opportunities to pass the test referred to above. The second attempt to pass such test must be a minimum of three months from the date of the initial attempt. However, where the parties have agreed that certain classifications, other than normal entry level, have substantially identical tasks in General Construction as in the **Regions or General Office Departments**, successful performance by an employee in such classification will be considered as presumptive evidence of meeting the appropriate agreed-to test requirements. Additionally, a former General Construction employee who has become a **Region or General Office Department** employee at the journeyman level or below must meet the agreed-to test battery to meet the employment requirements for **Region or General Office Department** employees before being promoted to a working foreman job on other than a temporary basis. Notwithstanding the foregoing, successful performance as a temporary working foreman in a **Region or General Office Department** for a cumulative total of six months or more shall be presumptive evidence of meeting such requirements.

An employee in General Construction, other than an employee in a journeyman classification in the same line of progression as that in which the vacancy exists, must pass the appropriate agreed-to apprentice entrance tests, as designated in Paragraph A of the Master Apprentice Agreement before the

BIDDING AND DEMOTION PROCEDURES PHYSICAL/CLERICAL

LINES OF PROGRESSION FOR THE CLERICAL AGREEMENT

EXPLANATION: To add Review Committee decision No. 1005 to Exhibit "A" Lines of Progression for the Clerical Agreement.

REVIEW COMMITTEE DECISION

Review Committee File Nos 1005, 1009, 1028, 1030, 1325, and 1331 Humboldt Division Grievance Nos. D.Gr/C 19-70-2, D.Gr/C 19-70-6, and D.Gr/C 19-70-12

North Bay Division Grievance Nos. D.Gr/C 4-70-7 and D.Gr/C 4-70-9 Sacramento Division Grievance No. D.Gr/C 6-73-4

East Bay Division Grievance No. D.Gr/C 1-73-19

Subject of the Grievances

Each of the grievances arose from similar facts. The grievants are employees who are not headquartered at the location where the temporary upgrade occurred. At the headquarters where the temporary vacancy occurred, Clerk C's or D's were upgraded to fill Clerk A or B positions. There were no immediate next-lower classifications in any of the offices concerned in these grievances.

The contention, then, of each of the grievants is that he or she should have been temporarily assigned to the location where the vacancy occurred inasmuch as each would have been the successful bidder if the vacancy had been permanent rather than temporary.

Discussion

The Clerical Labor Agreement specifically deals with the question of filling temporary vacancies in Subsection 18.3(a): "Whenever a vacancy occurs in any job classification, Company may temporarily fill it by assignment. In making temporary assignments to fill job vacancies other than vacancies in beginner's classifications, Company shall first consider regular full-time employees **at the headquarters in which the job vacancy exists in the order of their preferential consideration under Section 18.8.**" (Emphasis added.) Further, in Exhibit A - Lines of Progression - Division Clerical Departments, the following example of a temporary assignment is given: "Temporary upgrades shall take place within the department and headquarters in which the temporary vacancy exists **provided there is a next lower classification to the vacant classification in such department and headquarters.**" (Emphasis added.) Temporary upgrades into classifications where there is no next-lower classification to the vacancy within the department and headquarters shall be made in accordance with the lines of progression."

As the facts point out, in these particular offices there was no **immediate** next-lower classification to the vacant A or B positions. The question, then, involves the second sentence of the example, and the question specifically is whether this opens the appointment to persons outside of the headquarters. The language of the example is certainly not crystal clear. It could be read to mean that, if there is no person in an immediate lower classification to the one that is temporarily vacated, it must be filled from outside of the headquarters. To read the Exhibit this way, however, would, with regard to such assignments, conflict with the literal meaning of Subsection 18.3(a). That section, which is paramount to the example in any event, speaks in terms of the entire line of progression to the temporary vacancy.

In an effort to resolve the conflict, the Review Committee has taken into account several factors: (1) The promotional system is based on prebids from next-lower classifications within a Division assuming that the bidders are qualified. (2) The most common method for employees to attain the requisite skills and knowledge for promotion is temporary upgrades to higher classifications. (3) The extent of the Company's obligation to train employees for promotion. (4) In the filling of temporary vacancies, the Company is only obligated to give consideration to those senior employees who have prebids on file provided the assignment does not disrupt Company's operations to a point where it becomes impracticable to do so or the expense outweighs the Company's commitments to provide promotional training.

Decision

For the foregoing reasons where there is no next-lower classification in the line of progression, it is the decision of the Review Committee that: (1) Temporary upgrades for one basic workweek or less shall be made within the headquarters following the line of progression to successively lower classifications provided that such a person is qualified to handle the work of the higher class-

ification to which the temporary appointment is being made and; (2) such temporary upgrades for more than one basic workweek shall be offered to the senior qualified prebidder within a district provided that such person resides within a commutable distance ("commutable distance" as used in this decision shall mean a temporary headquarters located not more than 45 minutes or 30 miles from his residence). In the application of Item (2), the upgraded employee shall report to the temporary headquarters in accordance with the provisions of Section 10.8 of the Clerical Agreement. When the temporary assignment lasts for more than 60 consecutive calendar days, the upgraded employee will then be considered reporting to his "regularly established headquarter

Local offices shall be designated as "A" or "B" offices. "A" offices are those that did not elect a 6:30 a.m. starting-time or flextime option in 1987. "B" offices are those that did elect a 6:30 a.m. starting-time or flextime option in 1987.

The following starting-time and flextime options are applicable on a local office basis:

1. Dual starting-time or flextime options will be determined by a majority vote of all Meter Readers assigned to a headquarters. In the event a tie vote occurs, a second vote will be taken no earlier than 24 hours after the first vote. If there is still a tie, one last vote will occur. If a tie vote still exists after the third ballot, then the status quo will prevail. One of the following options may be elected in offices designated as "A" offices:

"A" Office Starting-Time Options

(a) (Available entire year) = 7:00 a.m. and 7:30 a.m., or 7:30 a.m. and 8:00 a.m.

"A" Office Flextime Options

Attention : Mr. I. W. Bonbright, Manager of Industrial Relations

Gentlemen:

This letter shall supersede Letter Agreement No. 87-83-PGE.

Since January 1987, Company and Union have had discussions regarding a work efficiency experiment at the District headquarters in Livermore, California. We have also previously discussed preliminary plans for similar trials at other locations. In order to provide a consistent approach to the Livermore experiment and to other work efficiency experiments, the Union proposes that the Manager of Industrial Relations and the IBEW Business Manager may agree to the establishment of individual work efficiency experiments and that the following conditions be applicable:

1. Company and Union may agree locally to the specific conditions of each experiment including the criteria to be used to judge the productivity and the quality of the work, except that changes in the conditions of any Labor Agreement requires an agreement between the Manager of Industrial Relations and the appropriate Union Business Manager(s).

2. Each experiment will have an Advisory Committee to consist of Company members, IBEW members, Engineers and Scientists of California, MEBA, and at least one consultant to be agreed to by the parties. The number and size of the Advisory Committee shall be determined by the Committee.

3. Each experiment will have a local Steering Committee and a consultant to be agreed to by the parties. The size of this committee is to be determined locally. The Steering Committee may also utilize representatives from various departments on a subcommittee basis, as they deem appropriate.

4. Upon completion of the experiment, any modified bargaining unit work assignments agreed to during the experiment will be returned to the original unit.

5. There will be no layoffs for lack of work or demotions for lack of work in the headquarters in which the experiment is located during the period of the experiment.

6. During the experiment, local supervision and the employees involved shall be responsible for getting work done in a timely manner using all available resources.

7. Any party to an individual work efficiency agreement may cancel the agreement upon 30 day's notice to the other party(s).

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Union.

Very truly yours,

LOCAL UNION 1245, IBEW

2.06 AMOUNT OF COVERAGE AND COST

- A. Unchanged.
- B. Unchanged.
- C. Paragraph 1 unchanged.

Regardless of the amount of coverage elected, a Participant may not have that coverage decreased. However, a Participant who makes such an election will have an opportunity once each calendar year by submitting the appropriate form to the employer, to increase the amount of insurance coverage to any higher amount permitted by the provisions of this Section until full normal insurance coverage is attained by the Participant. **Except when the Participant is on vacation or off due to a holiday, if a Participant is not actively at work at the time (e.g., on sick leave), an increase in the amount of coverage will become effective on the day the Participant returns to work.** A Participant who has elected less than full coverage and who does not increase coverage for five consecutive years and who subsequently wishes to increase the coverage will be required to undergo and successfully pass a physical examination, at the Participant's expense. (Amended 1/1/88)

EXPLANATION: To reflect that increased life insurance coverage shall not become effective until a Participant returns to the active payroll.

2.07 EFFECT OF AN INCREASE OR DECREASE IN RATE OF PAY

- A. Unchanged.
- B. **OPTIONAL COVERAGE.** Employees who are Participants on June 1, 1977, will have a one-time opportunity to freeze the amount of their coverage during a month in 1977 selected by the Administrator. Neither a pay raise nor a pay reduction will affect the amount of Participant's optional coverage nor the amount of coverage which Participant's may freeze. Participants who freeze their coverage may not have that coverage decreased. Participants who make such an election and who subsequently have salary increases will have an opportunity once each calendar year thereafter to increase the coverage on the same conditions and limitations as provided in the last two sentences of Subsection 2.06 B. **Except when the Participant is on vacation or off due to a holiday, if a Participant is not actively at work at the time (e.g., on sick leave) the increased amount of coverage is scheduled to become effective, the increase in life insurance will become effective on the day the Participant returns to work.** (Amended 1/1/88)

EXPLANATION: To reflect current practice that increased life insurance coverage will not become effective for an employee off work until the day the Participant returns to work.

BENEFIT AGREEMENT PART II LONG TERM DISABILITY PLAN

2.14 QUALIFICATION FOR BENEFIT PAYMENT

- B. An ill or injured Participant may apply for Long Term disability benefits by submitting to the administrator a written request for such consideration, together with medical evidence of disability. A Participant who applies for early retirement because of illness or injury **shall be notified** that such Participant may be qualified for Long Term Disability benefits. (Amended 1/1/88)

EXPLANATION: To require the Company to notify the Participant who applies for early retirement that he may be eligible for Long Term Disability.

2.15 SUBSTANCE ABUSE

- D. **A Participant shall not be entitled to receive benefits under this Plan if the disabling condition is substance abuse involving the use of alcohol or of a controlled substance as defined under state of federal law, provided, however, that benefits shall not be denied to a Participant who, as a consequence of his substance abuse, is suffering from an illness or injury which otherwise would entitle him to benefits.** (Amended 1/1/88)

EXPLANATION: To define eligibility for Long Term Disability coverage due to Substance Abuse.

2.16 AMOUNT OF LONG TERM DISABILITY BENEFIT PAYMENTS

- Paragraph 1 unchanged.
- A. In computing the Participant's 50 percent benefit, the following items will be included:
 - 1. Except as provided in paragraph 2. or 3. below, one-half of the Participant's primary social security disability insurance benefit (including back-pay awards) if the Participant is qualified for such benefit. It will be assumed that a Participant qualifies for such social security disability insurance benefit until and unless the Participant's claim is specifically rejected. The Administrator will assist Participants in filing claims and social security disability benefits and appealing adverse decisions for such benefits. (Amended 1/1/88)

Rest of Section unchanged.

EXPLANATION: To include social security back-pay awards if participant is qualified for such benefits. (Clarifies existing practice.)

2.22 WAIVER OF GROUP LIFE INSURANCE PREMIUMS

If the Company determines that a Participant is disabled and is eligible to receive Long Term Disability Benefits, **or would have been eligible to receive benefits, but for the fact that they are receiving Temporary Workers' Compensation Benefits and supplemental benefits for industrial injury,** such Participant makes no further contributions to the Group Life Insurance Plan. The face amount of Participant's Group Life Insurance remains in force, as provided in Section 2.06, at no cost to the Participant, as long as such Participant remains eligible for Long Term Disability benefits as provided in Section 2.19. (Amended 1/1/88)

EXPLANATION: To add language to suspend payment of Group Life Insurance premiums if Participant is on Industrial Injury or Worker's Compensation.

BENEFIT AGREEMENT PART III RETIREMENT PLAN

3.06 BASIC PENSION BENEFIT FORMULA

- A. Update Basic Pension Table for January 1, 1988 and 1989 and amend 1 to read:

1. ADDITIONAL RETIREMENT INCOME

Each Participant shall upon retirement, in addition to the monthly pension benefit provided for in Subsection 3.06A above, be entitled to additional monthly pension income, as computed below, for shift premiums, Sunday premiums, and nuclear premiums.

Additional Retirement Income is Computed as follows:

The actual straight-time compensation received by Participant for shift premiums, Sunday premiums, and nuclear premiums during Participant's **last calendar year** prior to retirement shall be totaled and divided by **52** (weeks in a year) which will result in an average premium per week. The average premium per week will then be multiplied by the current factor which will result in a monthly benefit per year of Service amount. The factor referred to is computed on the effective date of any Plan agreement by dividing applicable first year Monthly Benefit Per Year of Service amount by the maximum Basic Weekly Pay provided for that monthly amount. For example, assuming **the 1988 Pension Band 15** applies to a Participant who retires in any year of the contract term, the factor would be .05802 (\$36.55 — \$629.99). The monthly benefit per year of Service amount will then be multiplied by the Participant's Credited years of Service which will result in the Additional Monthly Retirement Income.

Example: (Added 1/1/88):

1.	Total of Shift, Sunday & Nuclear Premiums Received in Previous Calendar Year		\$2,050.46
2.	Weeks in One Year	÷	52
3.	Average Premium Per Week	=	\$ 39.43
4.	Current Factor (\$36.55/\$629.99)	X	.05802
5.	Monthly Benefit Per Year of Service	=	\$ 2.29
6.	Participants Credited Years of Service	X	30
7.	Additional Monthly Retirement Income	=	\$ 68.70

EXPLANATION: The calculation of additional retirement income from highest consecutive years to the last calendar year. This section no longer includes temporary upgrades and traveling adjustments.

3.06 BASIC PENSION BENEFIT FORMULA

EXPLANATION: To reflect 1988 wages. The plan will be amended as of 1/1/89 to reflect the Basic Weekly Pay determined as of 1/1/89 instead of 1/1/88. Pension Bands for 1990 will be negotiated in the fall of 1989.

B. Unchanged.

C. A monthly amount equal to 1 percent of the average of the final 36 months of the Participant's Covered Compensation, multiplied by the number of whole and fractional years of Service preceding Normal Retirement Date. (Added 1/1/88)

EXPLANATION: To delete an old pre-1977 pre-pension band formula that was grandfathered for 10 years and now expired. Added a new 1% formula to be used mainly by the Company to compute a more constant minimum pension fund contribution cost. The pension band formula continues to determine your pension.

1% Minimum Floor Language

Largely due to a new accounting rule that affects most major employers, PGandE and the IBEW have agreed to revise the Retirement Plan effective January 1, 1988. The current formula for non-management employees will be amended to include a new 1% minimum floor benefit. This revision will not impact current employee benefits, but will better allow the Company to implement the new accounting rule. Your retirement benefit will continue to be calculated in the same manner as in the past.

3.07 EARLY RETIREMENT PENSION BENEFIT FORMULA

A. Unchanged.

B. Unchanged except as indicated in Paragraph 6 below.

SPECIAL PROVISION K VOLUNTARY RETIREMENT INCENTIVE PROGRAM

EXPLANATION: Special Provision K; To provide language for Voluntary Retirement Incentive Program as negotiated in Letter Agreement R2-87-41-PGE.

BENEFIT AGREEMENT PART IV SAVINGS FUND PLAN

4.01 ELIGIBILITY

An employee becomes an Eligible Employee upon completion of **one year** of Service. Once eligibility occurs it continues as long as the employee remains a Bargaining Unit employee and Service continues. **(Amended 1/1/88)**

EXPLANATION: To let an eligible employee participate in Savings Fund Plan after 1 year of Service, without matching contributions by the Company.

4.02 PARTICIPATION

A. To become a participant, an Eligible Employee must submit a completed application form to the Plan Administrator. In the application form, the Eligible Employee:

(1) authorizes the Employer to reduce his Covered/Compensation by a stated percentage and to contribute such amount to the Plan as a 401(k) Contribution; **and/or (Amended 1/1/88)**

(2) elects to make Non-401(k) Contributions, if any, to the Plan; and

(3) instructs the Plan Administrator as to the manner in which employee contributions are to be invested.

B. Unchanged

EXPLANATION: To add language including "and/or", so that employees with one year service may contribute to 401(k) Plan without matching Company contributions.

4.03 EMPLOYEE CONTRIBUTIONS

To become a contributing participant, an Eligible Employee **whose contributions are eligible for matching Employer Contributions** must make 401(k) Contributions to the Plan. **An Eligible Employee whose contributions are not eligible for matching Employer contributions may make either 401(k) or Non-401(k) contributions to the Plan.** Participants who make 401(k) Contributions equal to the maximum amount eligible for matching Employer Contributions under Subsection 4.03A.(1), below, may also make additional contributions to the Plan. Such additional contributions may be made as 401(k) Contributions or as Non-401(k) Contributions or a combination of both. **(Amended 1/1/88)**

All contributions withheld by the Employer from Covered Compensation are paid over to the Trustee, unconditionally credited to the participant's account and invested in accordance with the participant's instructions.

A. 401(k) Contributions. A 401(k) Contribution is an election to defer the receipt of a specified whole percentage of Covered Compensation which would otherwise be currently payable to a participant. The Employer shall reduce the participant's Covered Compensation by an amount equal to the percentage of the 401(k) Contribution elected by the participant **subject to the \$7,000 limit multiplied by the adjustment factor as prescribed by the Secretary of the Treasury.** Under current law, 401(k) Contributions deferred by a participant under the Plan are not subject to federal or state income tax until actually withdrawn or distributed from the Plan. **(Amended 1/1/88)**

(1) 401(k) Contributions are eligible for matching Employer Contributions as described in Section 4.04. Although a participant may elect to defer up to 14 percent of Covered Compensation to the Plan, the maximum amount of a participant's 401(k) Contributions eligible for matching Employer Contributions shall be one of the following percentages of Covered Compensation:

(i) **zero percent, with at least one year but less than three years of Service; or (Amended 1/1/88)**

BENEFITS

- (ii) up to 3 percent, with at least three but less than five years of Service; or
- (iii) up to 4 percent, with at least five but less than 10 years of Service; or
- (iv) up to 5 percent, with at least 10 but less than 15 years of Service; or
- (v) up to 6 percent, with at least 15 years of Service.
- (vi) for a participant who is absent from work and receiving temporary compensation under any state Worker's Compensation Law or under the Company's Long Term Disability Plan, the larger of:
 - a) the maximum percentage calculated under (ii), (iii), (iv), or (v), whichever is applicable; or **(Amended 1/1/88)**
 - b) the dollar amount which was eligible for matching Employer Contributions immediately before the participant's absence began.

B. Non-401(k) Contributions. Non-401(k) Contributions differ from 401(k) Contributions in that a participant has already paid taxes on the amounts contributed to the Plan. All Employee Contributions made to the Plan as it existed prior to October 1, 1984, are considered to be Non-401(k) Contributions and are so recorded in the accounts maintained by the Plan Administrator.

A participant whose contributions are not eligible for matching Employer Contributions may elect to make 401(k) Contributions and/or Non-401(k) Contributions to the Plan. A participant who has elected to make a 401(k) Contribution equal to the maximum amount eligible for matching Employer/Contributions under Subsection 4.03A.(1), above, may also elect to make additional 401(k) Contributions and/or Non-401(k) Contributions to the Plan, but such contributions are not matched by Employer Contributions. **(Amended 1/1/88)**

EXPLANATION: To include reference to Knox-Keene Act of 1975.

Section 11. COBRA Continuation

Effective January 1, 1988, the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1986 requires that the Company provide group health benefits to individuals who would otherwise lose coverage under the Company's plans (i.e., medical, dental and vision plans) due to certain "qualifying events" listed below.

COBRA will not affect the continued group medical plan coverage currently offered to employees, retirees, eligible dependents and surviving spouses.

The COBRA Continuation Program shall provide that:

A. Coverage can be extended up to 18 months if one of the following "qualifying events" occurs on or after January 1, 1988:

- Employment with the Company terminates for any reason other than gross misconduct, or

- If group health coverage would otherwise end due to a reduction in work hours.

B. Coverage for eligible dependents can be extended up to 36 months if one of the following "qualifying events" occurs on or after January 1, 1988:

- Employee dies while being covered as a plan participant (dependents have a choice of continuing their coverage under COBRA or under the surviving family member coverage provisions of PG&E's plans); or

- Employee and spouse become legally separated or divorced; or
- A dependent child no longer qualifies as an eligible dependent under the plan.

If any one of the qualifying events listed above occurs during an 18-month continuation period, covered dependents may elect to continue coverage for up to 36 months from the date of the initial qualifying event.

Dependents must be enrolled as a dependent under the group health plan at the time of the qualifying event to be eligible for continuation coverage under COBRA.

C. The 18 or 36-Month Extension Will Not Apply:

- to any Company-provided medical, dental or vision plan which is terminated.
- if required premium is not paid within 31 days of the premium due date.
- If employee or dependents become covered by any other group health plan.
- If former spouse remarries and becomes covered under another group health plan.
- If dependents become eligible for Medicare. (Medicare eligibility terminates coverage only for the Medicare-eligible individual.)

D. Cost of Continuation Coverage

Continuation coverage will cost 102% of the group health plan premium as established in Section 5.

E. How to Obtain COBRA Continuation Coverage

In the event of an employee's termination of employment, retirement, or death, the Company will notify the employee/retiree and/or eligible dependents of their right to continuation coverage with 44 days from the date coverage would be lost.

In the event of a divorce, legal separation or child losing dependent status under the group health plan, the employee or their dependents are responsible for notifying the Company to obtain continuation coverage. The employee has 60 days from the date of the qualifying event to notify the Company. The Company will notify the dependents of their right to choose continuation coverage within 14 days of receiving a written notice. Failure to notify the company within 60 days of a qualifying event will be considered an election not to continue coverage. Requests for continuation coverage should be sent to the local Human Resources Department.

F. Individual Medical Plan Conversion Privileges

Nothing in this section will affect the right of an employee or their eligible dependent to convert group medical plan coverage to an individual plan upon becoming ineligible for group coverage. An employee or former employee may convert to an individual plan at any time during the last 180 days of your 18 or 36-month COBRA continuation coverage period or within 31 days from the date coverage ends. (Added 1/1/88)

EXPLANATION: To provide that the Company will offer the Consolidated Omnibus Budget Reconciliation Act (COBRA) to employees, retirees and eligible dependents as provided for in COBRA.

TERMINATION OF COVERAGE

If you decide to end your Blue Cross coverage, it will stop on the first day of the month after PSEA receives your written notice of cancellation. Coverage will end automatically on the first day of the month following:

- the end of your employment with an eligible Employer,
- your transfer into an employment status that makes you ineligible for Plan coverage,
- your failure to pay your share of the cost of coverage,
- or, the Plan's termination.

Your dependents' coverage will end when yours does, or on the last day of the month in which they no longer qualify as dependents. If you divorce, the coverage of your former spouse will end on the last day of the month in which the divorce becomes final.

If you die, your surviving spouse and dependents may continue Plan coverage.

Your coverage will continue if you go on an authorized leave of absence for personal or medical reasons. However, the Company will contribute to the cost of your coverage for only three months for any leave of absence authorized for personal reasons.

If you are hospitalized when your coverage ends, benefits will continue for the same illness until you are discharged, no longer need care, or have been provided with maximum benefits, whichever occurs first.

If your group Blue Cross coverage stops, you may convert it to an individual membership without undergoing a physical examination, provided you apply within 30 days. Your dependents may also take advantage of this privilege. However, you may not exercise this privilege if the Plan is terminated, or if your group coverage is stopped because you allowed your Blue Cross identification card to be used fraudulently. Blue Cross benefits are not transferable; only Blue Cross members are permitted to receive Blue Cross benefits. The actual benefits provided by the individual membership are not the same as those provided by the Company-Blue Cross Plan. If you start the individual membership, Blue Cross will provide information on what medical coverage is available.

MEMBER CLAIM FORM

In the event Member Claim Forms are not submitted by the provider of services, such Member Claim Forms must be submitted by members or dependents for reimbursement and/or payment for services. (Refer to Exhibit IV).

Exhibit I: PAYMENT IN FULL FOR COVERED SERVICES

The payment of the usual **Prudent Buyer** fee by Blue Cross is intended to constitute payment in full for the Physician and Surgeon's professional services covered by this Agreement. In any instance where the Physician and Surgeon contends that he is entitled to a fee exceeding that paid by Blue Cross, Blue Cross will represent the Member and will hold him harmless from Personal liability for any additional fee payment.

Exhibit II: HOLD HARMLESS AGREEMENT

The following procedure will be used to administer Exhibit I, Payment in Full, for covered services of the Agreement, No. 7217, and its endorsements between Blue Cross and Pacific Gas and Electric Company:

1. Blue Cross will initially review all claims for professional services to confirm that the services meet the test of the **Prudent Buyer Plan**.
2. In the event that a dispute arises between a physician and Blue Cross over the appropriateness of fee or treatment, the case will automatically be referred by Blue Cross to the appropriate Peer Review Society for mediation. Blue Cross will then abide by the decision of the Peer Review Society.
3. If the physician continues to balance bill the member during the period of dispute, Blue Cross will request that the physician discontinue the balance billing until the dispute has been adjudicated. However, in the event the physician threatens legal or collection action, Blue Cross will issue a check to cover the disputed bill. Blue Cross will have a system to recoup any of the above payments made if Blue Cross is upheld.
4. If for any reason the physician refuses to accept the decision of the Peer Review Society and proceeds to obtain a legal judgment against the member for any unpaid balances for services covered under the Blue Cross Agreement, Blue Cross will represent the member in such legal proceedings and hold him harmless for any such balances.
5. Members and their dependents will be held harmless for charges above the negotiated rate when utilizing Prudent Buyer services and/or if referred to a Non-Prudent Buyer Provider by a Prudent Buyer Provider.

*This outline of Medical Plan Benefits presents a summary of the principal provisions of the plan. Berkeley rally calls for 'Equity, Retro, Respect'

IBEW Local 1245 members at the City of Berkeley joined a group of other unions, and employee associations in an October 11 "Solidarity Rally" at City Hall protesting the City's latest contract offers.

Wages at the City of Berkeley reportedly range 15 to 30 percent behind similar classifications at other Bay Area Municipalities.

All contracts of the groups who participated in the rally expired on June 30 of this year.

Local 1245 member Rick Chan led the large assembled group in spirited rap that he and Shop Steward Jim Milstead had composed which called for decent raises.

Theme of the rally was, "Equity, Retro, and Respect." Other groups "participating" included SEIU 790, SEIU 535, and both the Berkeley Firefighters, and Berkeley Police Officer Associations.

Rally participants echoed over

and over the speakers' well taken points, that the best thing to come out of the City's unacceptable proposals so far was the solidarity, and the unity of all the Unions involved in contract negotiations.

Representing Local 1245 at the bargaining table, along with Business Representative Frank Saxsenmeier are Shop Stewards Milstead, and Howard Seppanen.
