

2018 PG&E/IBEW Local 1245

4th Annual Gas Rodeo

May 5th at the new Gas Safety Academy

Saturday, May 05, 2018

8:00am-3:00pm

PG&E Gas Safety Academy

One PG&E Way, Winters, CA, 95694

The PG&E/IBEW Gas Rodeo is proving ground for employees where skills will be put to the test for a chance to represent PG&E at national competitions in the Fall.

Gas Construction teams will advance for PG&E's fourth appearance at the National Gas Rodeo. This year, the National Gas Rodeo will be held in Kansas City, MO during the month of September. Gas Locate technicians will represent PG&E for the third year at the National Locate Rodeo in Dallas, TX in October.

Gas Construction

The competition is open to two-person and four-person teams. The qualifying events include pipe cutting, meter set build, service run, bell hole hand dig and a relay. To create the best teams possible, members can come from any combination of Gas departments (e.g. Construction, Division, Field Survey and Leak Survey). One Class A and one operator-qualified employee are required for each team.

Gas Locate

The competition is open to 20 employees (one per division or until all slots are filled). The qualifying events include gas locate, electric locate and LFH-rapid locate.

Additional Information

Contestants will receive more details upon registration. All PG&E employees and their families are invited to attend the rodeo to cheer on teams, eat lunch and enjoy other activities.

Admission is free and lunch is provided free of charge. No registration is necessary for spectators.

Email completed registration forms by April 06, 2018 to:
