Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Letter Agreement No. 90-133, PG&E is hereby cancelling the four-day, ten-hour work week schedule at Moss Landing Power Plant established by that letter. The Letter Agreement cancellation provision requires 30 days written notice to the Union. Therefore, effective January 1, 1995, IBEW employees at Moss Landing Power Plant will return to a five-day, eight-hour schedule.

The Company is cancelling this agreement for business related reasons, including maintenance backlogs on RDO's and increased overtime costs on RDO's and when establishing 202.17 shifts.

Sincerely,

A handwritten signature in cursive script, appearing to read 'David J. Bergman'.
