*Employee to be demoted has choice of classifications; then displaces the employee with the least service in that classification who is junior to him.

**Provided Service Operator has been a Serviceman or Reserve Gas Serviceman and is physically qualified to perform the work.

ADDENDUM TO GAS T&D AND GAS SERVICE DEPARTMENT
NORMAL LINES OF PROGRESSION IN THE
APPLICATION OF TITLE 206

When in the application of Title 206, it becomes necessary to displace employees in the Gas T&D Department, Reserve Gas Servicemen assigned to crews shall be displaced before an employee above the Helper classification in the T&D line of progression. It is the intent of the Company and Union that the foregoing shall apply to Reserve Gas Servicemen who have been assigned to crews for an indefinite period of time and not intermittently and who have been so assigned due to diminishing workload in the Gas Service Department.
