- E. Section II of this Clarification shall not be construed to require the payment of the overtime rate to employees effecting a transfer under the provisions of Section 202.24 and the conditions of such a change shall be governed by the conditions established as therein set forth. It is further agreed that employees within the same classification and work group whose schedules are established under the provisions of Sections 202.5, 202.11 or 202.15 may also request an exchange of work days and/or work hours and when the supervisor in charge gives his approval thereto, such transfers shall be allowed under the same conditions as employees coming under the provisions of Section 202.24
- F. In order to provide training for an employee in his normal line of progression, such employee may be transferred from his regular schedule of hours and work days to another schedule to attend special training formally scheduled in his headquarters. He also may be transferred from his regular schedule of hours and work days to another regularly established schedule to work with another employee in the classification for which he is in training, provided that the schedule to which he is transferred provides more training than he would receive on his regular schedule or the duties of the job vary with the different schedules.

To enable an employee to attend training classes, as provided for in Section 201.7 through 201.13 of the current Physical Agreement, he may be transferred from his regularly assigned schedule of work hours and/or work days for the time he is assigned to a training class.

In any of the above situations, notice of the transfer shall be provided as early as possible but at least prior to the end of the last work day in the workweek preceding the transfer or 24 hours in advance of the break of the workweek, whichever provides the longer notice.

Furthermore, any such assignment shall be prearranged in increments of weekly duration and the extent of total duration shall be given at the time of notice of transfer.
