Attention: Mr. Jack McNally, Business Manager

Dear Mr. McNally:

Company proposes to amend the list of employees included with LA 00-35. Letter Agreement 00-35 allows Call Center employees, who obtain regular status between late September and December of 2000, the opportunity to defer their floating holidays to 2001. The initial list inadvertently excluded the twelve additional employees listed on the attached.

These floating holidays will administratively be converted to personal business with pay and must be taken off by May 31, 2001.

Company also proposes that the parties be able to amend the list in the future should other employees be identified who meet the criteria.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY

Director and Chief Negotiator
