Attention: Mr. Jack McNally, Business Manager

Dear Mr. McNally:

The following proposal was developed, and is being recommended, by the LA 97-53 Divestiture Committee.

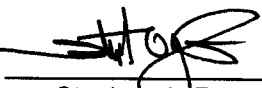

In Letter Agreement 00-53, the parties agreed to a modified Title 206 displacement process for employees at phase 2 steam plants. Basically, the process provided for the scheduling of Title 206 to correspond to various employment and severance opportunities that were available to employees from divested plants.

The Company proposes to extend the ERI offer period agreed to in Letter Agreement 00-53 from January 4, 2001 to the close of business on January 18, 2001. This extension will allow for the overlap of the job offer period of the owner of the phase 2 plants and ERI offering.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
