Dear Mr. Zimmerman:

Pursuant to Section 205.19 of the Physical Labor Agreement, Company proposes to place Ken Shealor, currently an Operator in Training, into a temporary Meter Reader position in Eureka. Mr. Shealor previously held the classification of Meter Reader and Senior Meter Reader and, given his potential for displacement from the OIT program, is interested in returning to Meter Reading. Accommodation of Mr. Shealor as a Meter Reader in this location may result in a reduction of Hiring Hall in that location but will not result in the bypass of any existing Meter Reader desiring to transfer to that location.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
