Dear Mr. Zimmerman:

The parties have continued to discuss issues relating to the clerical staffing of the Resource Management Centers and the anticipated impacts. In an effort to minimize impacts to affected employees, and consistent with LA 06-19, the Company proposes to fill all Operating Clerical Line of Progression vacancies at non-RMC Headquarters with hiring hall after first allowing current incumbents who hold the same or higher affected classifications the opportunity to transfer or bid these vacancies. If there are no current affected employees on the bid or transfer lists, the vacancy may be filled with a hiring hall.

This agreement will remain in effect until 12/31/08; however, either party may cancel this agreement by providing the other party 30 days written notification.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
