Dear Mr. Weakley:

This will confirm our discussions during the recently completed negotiations and the proposal contained in our letter of August 6, 1959, as a result of which Company has revised the Group Life Insurance Plan and has increased its contribution to the P.S.E. Hospital Plan as follows:

- A. Effective July 1, 1959, it has provided insurance under the Group Life Insurance Plan of \$1,000 without increase in premium for those employees who are members of the Plan and who retire on or after such date.
- B. Effective September 1, 1959, it is further participating in the P.S.E. Hospital Plan by contributing an additional \$1.50 a month per employee member. Such contribution together with the \$2.00 per employee member presently being contributed by Company was applied to the employee's premium. It is understood that the employee's premium is now approximately \$5.65 a month. With the above application of the Company's contribution of \$3.50, the amount paid by the employee toward his premium was reduced from \$3.65 a month to \$2.15 a month.

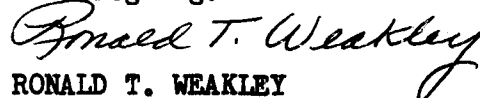

If you are in accord with the foregoing, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

R. J. TILSON
Manager of Industrial Relations
Pacific Gas and Electric Company

The Union is in accord with the foregoing.
