Attention: Mr. L. L. Mitchell, Business Manager

Gentlemen:

For a number of years, Drum Division has worked one Communication Technician every Saturday. Assignments to the Tuesday through Saturday schedule have been rotated among the Technicians in the Division. Due to changes in maintenance requirements, it now appears possible to adequately maintain the equipment by scheduling work every other Saturday rather than every Saturday.

Accordingly, Company proposes, pursuant to Subsection 202.16(b) of the Physical Agreement, to change the schedules of the Communication Technicians in Drum Division by rotating a Tuesday through Saturday workweek among the Technicians every other week.

Company further proposes that either party may terminate this agreement and return to the schedule in effect immediately prior to this agreement by giving 30 days written notice to the other party.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
