Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Mr. R. P. Gilbreath, Instrument Repairman at Morro Bay, was displaced by Mr. L. F. Thoman from Kern on February 23, 1966 under Section 206.4(a) of the Physical Agreement.

Since Company had some additional instrument repair work at Morro Bay and Mr. Gilbreath needed some additional time in which to complete housing arrangements, he has been retained as an Instrument Repairman at Morro Bay on a temporary additional basis. In the meantime, an additional Instrument Repairman classification has been established at Moss Landing and Mr. Gilbreath was offered this vacancy in accordance with the principles of Section 206.4(a). Company proposes to complete Mr. Gilbreath's transfer on or about April 18 under the provisions of Section 206.1(e).

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
