Attention: Mr. Ronald T. Weakley,
Business Manager

Gentlemen:

Company has recently surveyed the Parts Clerk job and that of the Parts Clerk's assistant at the Davis Service Center of General Construction.

When the Parts Clerk classification was established it was not intended that the employee holding this classification would direct the work of other employees nor was it intended that a Garageman would be assigned as a full time assistant. Since the arrangement has developed, Company proposes to establish two new classifications at the Davis Service Center, namely Senior Parts Clerk and Assistant Parts Clerk and to discontinue the Parts Clerk classification. The proposed job definitions and wage ranges are as follows:

Senior Parts Clerk

An employee with a thorough knowledge of automotive parts and warehouse procedures who directs the work of one or two other employees and performs work relating to the purchasing, storing, issuing and requisitioning of automotive parts and tools.

Wage range: \$118.65 to \$129.25 per week.

Assistant Parts Clerk

An employee who performs, under the direction of the employee in charge, duties relating to the purchasing,

storing, issuing and requisitioning of automotive parts and tools.

Wage range: \$100.70 to \$111.70 per week.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
