Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

In order to provide accelerated training to employees who will be upgraded and promoted at Humboldt Bay Power Plant Units 1 and 2 the Company is planning to conduct two training sessions of approximately three weeks each. The training sessions for the present Auxiliary Operator will commence on the 26th of December, 1961, and will be followed by a similar session for the present Assistant Control Operator. The employees who were successful bidders on jobs at Unit No. 3 will not be included in the program.

The employees who are assigned to these training sessions are in shift classifications and in order to establish a uniform schedule for all employees attending these training sessions Company proposes, under the provisions of Sections 202.8 and 202.16, a Monday through Friday basic work week with Saturday and Sunday as non-work days and 8:00 a.m. to 12 o'clock noon and 12:30 p.m. to 4:30 p.m. as the hours of work.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
