Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Company expects to man Tulucay Substation in North Bay Division in February or March, 1967. The duties and responsibilities of the operators at this substation are comparable to the duties of operators in Schedule I stations. Company, therefore, proposes to establish the classification of First Operator - Tulucay Substation, with a wage rate of \$172.80 per week (Schedule I).

The initial vacancies at Tulucay will be filled by transferring the First Operators at Cordelia Substation in accordance with the provisions of Subsections 206.4 (a) and 206.1 (c) of the Agreement. The operation of Cordelia as an attended Substation will be discontinued.

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
