Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

With the establishment of the classification of Measurement and Control Mechanic in our recently completed negotiations, the need for the Utility Mechanic classification at Eureka no longer exists. Company is, therefore, establishing the new classification in Eureka and discontinuing the Utility Mechanic classification.

Company proposes to reclassify the incumbent Utility Mechanic, Mr. H. C. Niemi, from Utility Mechanic to Measurement and Control Mechanic effective January 1, 1967, without posting the new job for bid under the provisions of Subsection 206.1(e).

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
