Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Last June, four employees were transferred from Solvang to Santa Maria due to the discontinuance of the line crew in Solvang. Due to an oversight, these four employees were not given notice of demotion and of their elections as provided in Title 206 "Demotion and Lay Off Procedure" of the Agreement.

To rectify this error, Company proposes to change the record to indicate that Messrs. C. L. Worsham and P. K. Griffin, Linemen, and D. F. Corbett, T & D Driver, have rights under Subsection 206.9(a) to return to Solvang on an accelerated basis should a line crew be re-established at that location and that these employees will have the first prebid which they submit on a vacancy in their own classification at a headquarters other than in Santa Maria considered under the provisions of Subsection 205.7(a). It is further proposed that a time limit of October 1, 1968 shall be applied to such accelerated bidding rights under Subsection 205.7(a).

This proposal is made in accordance with the provisions of Sections 205.19 and 206.13 of the Agreement dated September 1, 1952.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By V. J. Thompson  
Manager of Industrial Relations
