Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

This letter supersedes our letter of March 31, 1964, on this same subject.

The tool repair functions in Colgate Division will be centralized in the Marysville Garage.

Company proposes to reclassify Mr. Harold P. Petersen, Utilityman in the Electric Department at Marysville, (present weekly wage rate - \$120.60) to Utilityman in the Garage Department at Marysville without reference to the bidding procedure.

The following Job Definition and wage rate are proposed:

Utilityman

An employee who performs the tool repair work of a Routine Mechanic and, in addition, assists a journeyman in the overhaul and repair of other tools and equipment. He also receives and dispenses tools in a tool room.

Proposed Weekly Wage Rate
\$125.65

Company further proposes that time worked in the Utilityman classification, in both the Electric and Garage Departments, will be credited as time worked in the Garageman classification for bidding purposes. Entrance of this employee into the Garage Lines of Progression will be from Garageman in accordance with the provisions of Title 205 of the Agreement.
