Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

On July 1, 1967, Mr. E. O. Reid was reclassified as an Auxiliary Operator at Oakland Power Plant, as were other employees at this plant. On February 10, 1969, Mr. Reid was awarded a Turbine Tender vacancy at Oakland.

Due to the recent closing of Oakland Power Plant, Mr. Reid was demoted from Turbine Tender there to Auxiliary Operator at Pittsburg Power Plant on June 9, 1969. Since Turbine Tender is not included in the present line of progression to Assistant Control Operator (Group I), Company proposes that Mr. Reid's Auxiliary Operator classification seniority remain unadjusted at July 1, 1967, to maintain the same relative seniority position he held with regard to other employees at Oakland Power Plant who are also now at Pittsburg.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

Manager of Industrial Relations
