Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

This proposal cancels and supersedes our proposal to you on this same subject dated January 26, 1970.

Effective February 1, 1970, Company proposes that the headquarters for all Troublemens in Solano, Sacramento, and Yolo Districts will be centralized in each District as indicated in Exhibit I which is attached. Company proposes that these changes in headquarters be accomplished under the provisions of Section 206.13 of the Agreement.

The Troublemens affected by the proposed change in headquarters will not be required to move their place of abode and will continue to use their trucks for transportation to the new headquarters as long as they remain on a schedule of voluntary availability. However, when any of the incumbents vacate a Troublemans classification, the employee bidding into such job vacancy will be required to reside within the community in which the Company headquarters to which he regularly reports is located.

In conjunction with relocation of the Troublemens, new schedules of work hours and work days will be established in Sacramento and Solano Districts in accordance with the provisions of Paragraph I.B.4(a), (b), and (c) of the Hours Clarification which became effective April 1, 1965. These schedules are attached as Exhibits II and III.

Further, Company proposes that the Troublemens' schedule in Yolo District and El Dorado District be changed as shown on Exhibits IV and V under the provisions of Subsection 202.16(b) of the Agreement.

Company further proposes that the hours of work of the Foreman's Clerks and Assistant Foreman's Clerks in El Dorado, Yolo, and Solano Districts be changed under the provisions of Subsection 202.16(b) of the Agreement, as shown in attached Exhibit VI.

It is our understanding that these proposed changes have been reviewed with the personnel involved and your Business Representative,
