Mr. H.G. Cooke:
Attn. J.A. Cates

I am requesting transfer to the Fresno area under Section 301.16 of the IBEW Union agreement. The health of my young son requires a warmer and drier climate.

I have received verbal agreement from my current supervisor, Jack R. Darby, to release me. Jack Brown of the General Construction Gas Department at Fresno has agreed to accept me at my current rate of Trencher Operator. Union officials have also expressed their agreement to such a transfer.
