Local Union No. 1245, International  
Brotherhood of Electrical Workers, AFL-CIO  
1918 Grove Street  
Oakland 12, California

Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Mr. C. J. Johnson, Utilityman in the Electric Department at Auburn is retiring September 1, 1958. At such time Company is proposing to abolish the classification of Utilityman and to reassign certain of the duties formerly performed by Mr. Johnson to Troubleman in the Placer District. Company also proposes to establish the classification of Utility Voltage Tester, effective September 1, 1958, with the following job definition:

UTILITY VOLTAGE TESTER - Electric Dept. - Auburn

An employee who performs the duties of a Voltage Tester in the Electric Department, and in addition maintains street lights, inspects service entrance wiring, and may be required to work routine meter tags and service tags involving work on customers' premises.

This employee will receive the wage rate of, and accrue classification seniority as a Voltage Tester.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By J. H. Carr  
Manager, Personnel Department.

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.

Attention: Mr. Ronald T. Wesley, Business Manager

Dear Sir:

Mr. C. E. Johnson, Utilityman in the Electric Department at  
your place is retiring September 1, 1928. At such time Company is proposing  
to abolish the classification of Utilityman and to reassign certain of  
the duties formerly performed by Mr. Johnson to Troublemans in the Place  
District. Company also proposes to establish the classification of  
Utility Voltage Tester, effective September 1, 1928, with the following  
job definition:

UTILITY VOLTAGE TESTER - Electric Dept. - Utility  
An employee who performs the duties of a Voltage Tester  
in the Electric Department, and in addition maintains street  
lights, inspects service entrance wiring, and may be required  
to work routine meter tags and service tags involving work on  
customers' premises.  
Such employee will receive the wage rate of, and receive  
classification seniority as a Voltage Tester.

If you are in accord with the foregoing and agree thereto, please  
so indicate in the space provided below and return one executed copy of  
this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
