Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Company has recently completed a survey of the duties assigned to the Utilityman classification in the Gas Department at Fairfield currently held by Mr. E. J. Mohr. The basis of the present rate of \$98.95 per week is 50% Serviceman and 50% Warehouseman.

As a result of the reorganization of certain work within the district, the Warehouseman portion of the job will be reduced to 20% or less. Company, therefore, proposes to reclassify this Utilityman classification to Utility Serviceman with the following job definition:

Utility Serviceman - Gas Department - Fairfield

An employee who performs the work of a Serviceman in the Gas Service Department and, in addition, performs all of the work and duties relating to the operation of the Fairfield Substore.

This employee will receive the wage rate of and accrue classification seniority as a Serviceman in the Gas Service Department.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By [Signature]  
Manager, Personnel Department.

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
