Pacific Gas and Electric Company
245 Market Street, Room 444
San Francisco, CA 94106

Attention: Mr. I. W. Bonbright, Manager of Industrial Relations

Dear Sir:

Prior to the shutdown of Units #1 and #2 at Potrero Power Plant the following employees, Messrs. J. Goldberg, B. Hubbard, B. Mickelwait, D. Riggs, and A. Seid, held the classification #1565 Senior Auxiliary Operator, Potrero. As you know, these employees had no displacement rights under Section 206 of the Physical Labor Agreement, as their classification existed only at Units #1 and #2 Potrero Power Plant.

Pursuant to Section 205 of the Physical Labor Agreement, Mr. A. Seid transferred to East Bay Division as a #1560 Auxiliary Operator. Messrs. J. Goldberg, B. Hubbard, B. Mickelwait, and D. Riggs, pursuant to Section 206 of the Physical Labor Agreement, were demoted to #1560 Auxiliary Operator and remain in San Francisco Division.

Therefore, the Union proposes, pursuant to Sections 205.19 and 206.12 of the Physical Labor Agreement, that the rate of pay of Messrs. J. Goldberg, B. Hubbard, B. Mickelwait, and D. Riggs remain that of a Senior Auxiliary Operator (469.75) until such time as the #1560 Auxiliary Operator's rate of pay equals or surpasses the January 1, 1981, rate of pay for a Senior Auxiliary Operator (\$469.75), and that this adjustment be retroactive to the date of their demotion.

Pacific Gas and Electric Company

The foregoing has been discussed with San Francisco Division
Personnel and the Division Steam Superintendent.

Very truly yours,

Jack McNally
Business Manager

The Company is in accord with the foregoing and it agrees
thereto as of the date hereof.
