Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Company has established a Senior Plant Clerk position in the Quality Control Department of Diablo Canyon Power Plant.

Company proposes to establish and fill this position by reclassifying one of the current First Plant Clerks, Ms. Sharon Chan, into the Senior Plant Clerk position. The only employees who would be eligible to prebid this new position would be First Plant Clerks at Diablo Canyon, Moss Landing, or Morro Bay Power Plants. Ms. Chan is the most senior First Plant Clerk at Diablo Canyon. Additionally, the Business Representatives in Coast Valleys Division have inquired of the First Plant Clerks at Moss Landing and Morro Bay Power Plants and all three have indicated that they are not interested in this position at Diablo Canyon.

Currently the Department has two First Plant Clerk positions, nine Routine Plant Clerk positions, and two Utility Clerk-Typist positions. All of these positions are filled.

It is our understanding that this proposal has been discussed with and has the concurrence of Mr. David Reese, Union Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
