Attention: Mr. J. K. McNally, Business Manager

Gentlemen:

The Company proposes to place Mr. Curtis L. Allen, currently a Utility Clerk, San Joaquin Division, in a vacant Building Engineer position in the General Office Building and Administrative Services Department, pursuant to Subsection 205.19 of the Physical Agreement.

Mr. Allen transferred from a Building Engineer position in General Office to a Utility Clerk position in San Joaquin Division, effective March 26, 1984. Subsequent to his transfer, it has been determined that Mr. Allen has not passed the Name Comparison test and therefore is not fully qualified for his current position.

The General Office Building and Administrative Services Department currently has a vacant Building Engineer position which has been postbid by Mr. Allen, and he is the most senior qualified bidder.

This proposal has been discussed with Mr. Veodis Stamps, Union Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
