Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Dupont is no longer producing its programmed instruction course which was bargained to be an entry requirement to the Materialsman classification.

The course has been replaced by a new one entitled "Forklift Truck: Operator Training," No. 150. The four units are accompanied by video tapes.

Company proposes the adoption of the attached course and final examination to replace "Powered Lift Trucks - Operator Training," No. 135 as the entry requirement to the Materialsman classification.

If you are in accord with the foregoing and the attachment and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
