Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Section 205.19 of the Physical Agreement, Company proposes to place Mr. Kenny R. Hunsaker in a permanent Materialsman position at Pittsburg Power Plant effective immediately.

Mr. Hunsaker was employed August 24, 1983 in the capacity of Traveling Mechanical Helper at Avon Power Plant. He went on compensation payroll on September 26, 1984, due to a knee condition which precluded him from performing the work in his classification for five months. Mr. Hunsaker, subsequently, returned to work for three months and was placed on the compensation payroll.

On February 2, 1986, Mr. Hunsaker was placed in a Materialsman T/A position at Pittsburg Power Plant with his salary charged to the rehabilitation payroll. He has passed the required forklift and typing tests and has performed satisfactorily in this job.

Steam Power Generation has waived the priority-one transfers on file. This matter has been discussed with Mr. Sam Tamimi, Union Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
