Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Company proposes, pursuant to Section 206.12 of the Physical Agreement, to appoint Mr. Marvin E. Clark to a newly established Communication Technician position in the Regional Telecommunication Department in Auburn.

Mr. Clark presently works at Vaca-Dixon Substation and was employed on March 19, 1964. All of the Communication Technicians in Sacramento Division (Vaca-Dixon and Sacramento headquarters) were informed of the elimination of one position from Vaca-Dixon and the creation of a position in Auburn. Mr. Clark volunteered to relocate and he is the most senior of all of the Sacramento Division Communication Technicians. We would like to effect this relocation on March 30, 1987.

Company further proposes to extend Subsection 206.9(a) rights to Mr. Clark to return to Vaca-Dixon Substation should he elect to do so and he complies with the conditions set forth in Section 206.9

This proposal has been discussed with Business Representatives W. R. Greer and E. A. Fortier.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *W. R. Greer*
Manager of Industrial Relations
