Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Sections 205.19 and 206.12 of the Physical Agreement, Company proposes to place Mr. George Nielsen, Service Mechanic, Gas Service Department, Fresno, in a vacant Service Operator position in the same department and location.

Mr. Nielsen suffers from degenerative cervical and lumbar disk disease. His doctor states that within the last year Mr. Nielsen has experienced some degenerative activity involving the cervical spine which makes it difficult for him to do heavy labor. Consequently, Mr. Nielsen is on light duty and performing the work of a Service Operator in the Gas Service Department in Fresno.

As there is currently a vacant Service Operator position in the Gas Service Department in Fresno, Company proposes that Mr. Nielsen fill this vacancy.

This matter has been discussed with Frank Hutchins, Union Business Representative.

If you are accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
