Attention: Mr. Jack McNally, Business Manager

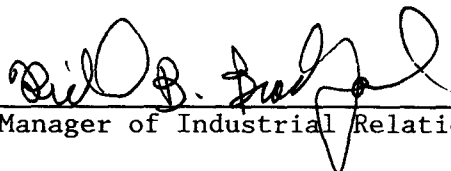

Gentlemen:

Letter Agreement 88-48-PGE (Rerate Agreement) provides that a significant change in the work load of a station may result in re-evaluation of that station. Due to a change in jurisdiction, Pittsburg Switching Center has had such a significant change in work load. Completion of the "Questionnaire for System Operator Responsibility" resulted in an assignment of 62,036 points which is in excess of the System Operator No. 1 cutoff level. Therefore, pursuant to Section 205.19, Company proposes to reclassify Pittsburg Switching Center System Operators to the System Operator No. 1 classification effective upon the signing of this agreement.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By   
 Manager of Industrial Relations
