Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Letter Agreement 89-9-PGE provides for the converting the Eureka Gas Load Center into a 24-hour dispatch operation. In conjunction with the retirement of one of the Pressure Operators, the Company plans to convert the 24-hour operation into a 16-hour operation. In order to minimize the impact of this change the Company proposes the following amendments to Letter Agreement 89-9-PGE.

1. Staffing

The operation will be staffed by the existing two Pressure Operators, one Service Operator, and one Relief Pressure Operator.

2. Rotating Shift Schedule

The four employees will work a rotating shift schedule (attachment 1).

All other provisions of Letter Agreement 89-9-PGE will remain in effect. Either party may cancel this agreement by providing two weeks advance notice.

If you are in accord with the foregoing and attachment and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By Richard D. Bradford
Manager of Industrial Relations

The Union is in accord with the foregoing and attachment and it agrees thereto as of the date hereof.
