Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Subsection 202.16(b), the Company proposes to use the following schedule for the Electrical Maintenance Department, Mechanical Maintenance Department (except Tool Clerks), Instrument and Controls Department, and select clerical employees during the Unit 2 fourth refueling outage:

Days	6:30am - 5:00pm
Swings	5:30pm - 3:30am

This schedule is described under the "Examples of Scheduling" in the 202.17 Clarification as the Boarding House Delay. This schedule option is needed to alleviate the parking and traffic congestion during the shift change. All of the other provisions of Section 202.17 will still apply. This schedule has been reviewed by the local Business Representative, Mike Haentjens.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
