Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Subsection 202.16(b), the Company proposes to establish the following schedule in the Radiation Protection Department at Diablo Canyon for the Unit 1 fourth refueling outage:

I. Standard work week and work hours

A. Work Week

1. Radiation Protection personnel will normally be scheduled for a six-day workweek (Monday-Saturday or Sunday-Friday).
2. During periods of low week-end work activity only the minimum number of personnel will be scheduled to work. This will provide the opportunity for an occasional two-day weekend.

B. Work Hours

1. Radiation Protection personnel will be assigned to one of four basic 10-hour shifts.

a. Day Shift

- 1) 0630 - 1630\*
- 2) 0730 - 1730\*

\*Note: Add 1/2 hour for non-shift employees

b. Night Shift

- 1) 1830 - 0430
- 2) 1930 - 0530

- 2. Core hours for the day shift will be from 0800 to 1600 (1630 for non-shift employees) and from 2000 to 0400 for the night shift.
- 3. Additional hours will be scheduled as necessary to provide 24 hour coverage of critical work.

II. Administration of Benefits

- A. Meals: Paid meals will be provided for as specified in Title 104 of the Agreement. Personnel who are entitled to a meal at the end of their shift will be given the option of taking the meal upon dismissal from work.
- B. Travel Time: Travel time will be provided as specified in Title 208 of the Agreement.

III. Use of Contractors

- A. The intent of this policy is to provide PG&E personnel assigned to Radiation Protection with first priority over contractors for overtime work.
- B. Scheduling "extra" overtime hours
  - 1. PG&E personnel who desire extended overtime shall make their preferences known at least one week in advance.
  - 2. Radiation Protection Foreman will preferentially schedule their personnel for additional overtime during the following week.
- C. Special cases not conforming to III A & B
  - 1. Scheduling Steam Generator crews or other similar "specialized" crews.
  - 2. Hold over to maintain job continuity.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
