Attention: Mr. Jack McNally

Gentlemen:

In response to your request for 30 Management News publications to be mailed daily to the Local 1245 office in Walnut Creek, Company proposes to expand the provisions of Letter Agreement 92-9 to allow you to access Management News publications through the Corporate Bulletin Board via Local Area Network (LAN). We understand that access is currently available to you and only restricted by virtue of the provisions of Letter Agreement 92-9.

Additionally, Company proposes expansion of Letter Agreement 92-9 for your use in reviewing proposed grievance settlements and letters of agreement. We concur with Mr. Roger Stalcup's belief that electronic mail service may reduce turnaround time and result in more timely settlements.
