Attention: Mr. Jack McNally, Business Manager

Gentlemen:

The job description for Utility Plant Clerk provides that an employee "may be required to type with reasonable speed (35 words per minute net)." Presently, there are two Utility Plant Clerk jobs at the Diablo Canyon Power Plant whose sole responsibility is to sort and deliver the mail. Because the duties of these jobs do not include typing, the Company proposes to waive the typing test requirement.

If agreed to, the employees filling these two jobs will be required to meet the typing test requirement prior to transferring to other clerical jobs which require typing, including other Utility Plant Clerk jobs.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By   
Director and Chief Negotiator

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
