Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Company proposes to change the schedule of Marc Hunzicker, Relief Senior Control Operator at Hunters Point Power Plant, during the upcoming overhaul of No. 2 Unit, No. 3 and No 4 boilers beginning January 18, 1993, and lasting for approximately 10 weeks.

During this time, Mr. Hunzicker will act as Operating Department Support Person for the overhaul and will work the day shift (7:00 a.m.-3:30 p.m.), therefore he will not be available for relief assignments. Company will have adequate relief positions to cover this change.

This proposal has been discussed with Ed Caruso, IBEW Business Representative, and he concurs.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY

By 
Director and Chief Negotiator
