Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Exhibit XV, paragraph 3, of the Physical Agreement requires that board and lodging facilities provided under Subsection 301.4(b) be located no more than 15 road miles of the reporting headquarters within an unincorporated area. There is a limited number of lodging facilities within 15 road miles of the Diablo Canyon Power Plant. Most employees prefer to stay in San Luis Obispo, which is beyond 15 road miles of the power plant.

For the 2R6 outage scheduled to begin September 24, 1994, Company proposes to establish local orders at lodging facilities inside and outside 15 road miles of the Diablo Canyon Power Plant and allow employees an option of facilities. If an employee elects a facility which is outside the 15 road mile standard, the Company shall not incur any additional travel time or mileage expense.

This proposal has been discussed with the local Business Representative.

If you are in agreement with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Sincerely,

PACIFIC GAS & ELECTRIC COMPANY

By   
Director and Chief Negotiator
