Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Section 205.19 of the Physical Agreement, Company proposes to place Mike Purtell, a Title 300 Instrument Technician currently headquartered at Hunters Point Power Plant, as a provisional Control Technician at Hunters Point Power Plant.

Mr. Purtell is a Section 205.7(d) bidder to this position and recently received the highest score (60%) on the Control Technician qualifying examination administered in accordance with Section 205.13.

Since the Instrument Technician Apprenticeship Program overlaps the academics of the Apprentice Control Technician Program, a joint Company-Union committee will determine what additional academics Mr. Purtell needs to complete. He will be given one year to complete the agreed to program. If Mr. Purtell fails to successfully complete the program, he will be subject to the provisions of Section 206.15.

This proposal has been discussed with Senior Business Representative Landis Marttila.

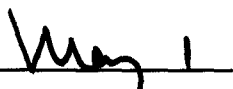

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
