Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Michele Martinez, a Shift Control Technician at Diablo Canyon Power Plant, can no longer physically perform all the job duties of her position. Therefore, pursuant to Section 205.19 of the Physical Agreement, the Company proposes to reclassify her to a Control Technician. She will be assigned to the calibration laboratory and her new primary duties will be calibration and repair of measurement and test equipment.

The proposal has also been reviewed with Mike Haentjens, the local IBEW Business Representative.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
