Mr. John Nelson,

7/6/73

This is the second letter I've written to you or the general office concerning my father, Mr. Fauline Branton and his recent, severe, coronary attack.

In my first letter I stated that my father was unemployed when hospitalized and that I've placed my parents and youngest sister on welfare.

I had a telephone conversation with you on Monday, June 11<sup>th</sup> and you told me that you would do what you could to help me and my family. You also said that you would contact me shortly. It is now July 6, and I've heard nothing. Since that time my father has been released and re-admitted to Sacramento Medical Center.

I've moved my wife and child to Roseville also, and I'm waiting for my transfer to go through.

I've been told that there is work in my M.E.O.B. classification in the location where I requested transfer. PLEASE LET ME HAVE MY TRANSFER!

THANK YOU,  
 ROSS L. BRANTON
