Attention: Mr. Jack McNally, Business Manager

Gentlemen:

In Letter Agreement 95-154, Company and Union agreed to a wage schedule for temporary additional outage workers for the 2R7 refueling outage at the Diablo Canyon Power Plant. The Outage Sr. RP Technician classification was listed with a single rate of \$789.70. Unfortunately, an additional pay step of \$852.20 was inadvertently left off of the proposal. Therefore, Company proposes that the Outage Sr. RP Technician classification wage range be as follows:

0023 Outage Sr. RP Technician	789.70
	852.20 *

\* wage step based on qualifications and work experience.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY

By: David J. Bergman  
Chief Negotiator

The Union is in accord with the foregoing and agrees thereto as of the date hereof.
