Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to Section 18.15 and Letter of Agreement No. R1-91-99-PG&E, Company proposes to place David DiLuzio, a Customer Service Representative in the San Francisco Call Center into a Meter Reader position in the Customer Services Department in Belmont. This proposal would supersede Letter Agreement 95-146 in that it is allowing placement into a regular Meter Reader position other than via a transfer by a current Meter Reader.

Mr. DiLuzio has met the criteria outlined in Letter Agreement R1-91-99-PG&E and has passed the Meter Reader Test Battery. He has a medical condition that precludes him from working in his normal classification of Customer Service Representative. He does not qualify for a physical position as he has taken the physical test battery and failed to qualify.

This proposal has been discussed with Business Representatives Eric Wolfe and Hunter Stern.

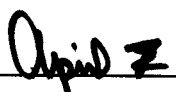

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY

By: 
Chief Negotiator
