Attention: Mr. Jack McNally, Business Manager

Dear Mr. McNally:

The Company proposes to allow employees headquartered at the Diablo Canyon Power Plant the option of scheduling their vacation in increments of one half day.

The granting of such time off shall be at the discretion of the immediate work supervisor and shall not interfere with work in progress or result in the payment of overtime.

Except in emergencies, requests for all vacation days or half days not scheduled in accordance with Section 111.13 of the Agreement shall be made to the immediate work supervisors at least 24 hours in advance.

The one half day for employees assigned to a 9-80 work schedule shall be 4 hours.

The Company or the Union reserves the right to cancel this agreement by giving 30 days written notice.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
