Attention: Mr. J. K. McNally, Business Manager

Gentlemen:

This letter supersedes and cancels our letter agreement dated November 7, 1980, on the same subject.

Company proposes, pursuant to Section 202.16(b) of the Agreement, to amend the hours of work of the Assistant Compressor Plant Operator classification (Topock only), Exhibit VI-C, Title 600 of the Job Definitions and Lines of Progression for Pipe Line Operations in the following manner:

May be assigned the same work hours and days as maintenance employees at the headquarters, and assigned to perform the duties of a Helper (0935) when not required for shift operations due to irregular gas rates that may arise. However, the reassignment to work hours and days of maintenance schedules will be in increments of one week or more and will start at the beginning of the work week. Such assignment shall be in accordance with the provisions of Section 208.18 of the Agreement.
