Attention: Mr. I. W. Bonbright, Manager of Industrial Relations

Gentlemen:

The Union proposes to establish a Work Project in Coast Division as provided in Letter Agreement No. 87-165-PGE.

Further, the Advisory Committee of the Coast Division Work Project has determined that it would be beneficial for the parties conducting the Project to have as much flexibility as possible in order to try new work methods and procedures.

Accordingly, Union proposes for Mr. Ron Rhodes of Company and Mr. Larry Pierce of Union to have the authority to agree to amend or temporarily suspend provisions of the Physical and Clerical Labor Agreements with respect to the Coast Division headquarters.

Such authority would not extend to any of the Benefit Agreements or be in conflict with any applicable law.

The agreements must be signed by both parties with executed copies to be submitted to Union's Business Manager and Company's Manager of Industrial Relations.

Further, either party shall have the right to cancel any executed agreement by serving written notice to the other party.
