Dear Mr. McNally:

We agree that 0445 (not 0455 as stated in your letter of February 23, 1981) Light Truck Driver with Winch has been negotiated and reclassified to 0415 Truck Driver G.C. and 0450 Dump Truck Driver has been negotiated and reclassified to 0461 Heavy Truck Driver G.C., and have changed the Line of Progression table to reflect this.

The classifications you enumerate in the "Next Lower" and "Same or Higher" categories were so negotiated and I suggest we have a meeting of our Line of Progression/Computer Bidding Committees to discuss any changes.

Please suggest a convenient date for such a meeting.

Yours very truly,

MMC:ldb

Dear Mr. Bonbright:

Two extinct General Construction classifications, 0455 Light Truck Driver with Winch, and 0450 Dump Truck Driver, still appear as "Same or Higher Classifications" in the lines of progression to the classifications listed below. 0455 Light Truck Driver with Winch has been reclassified and renumbered to 0415 Truck Driver and 0450 Dump Truck Driver has been reclassified and renumbered to 0461 Heavy Truck Driver. The extinct classifications should be deleted and replaced by the current classifications in the following lines of progression:

1. 0423 Light Truck Driver (Garage Department)
2. 0419 Truck Driver (Gas T & D)
3. 0427 Light Truck Driver (Gas T & D)
4. 0417 Truck Driver (Electric Department Maintenance)
5. 0424 Light Truck Driver (Electric Department Maintenance)
6. 0426 Light Truck Driver (Steam Generation, Maintenance)

In addition, some lines of progression in the Gas Transmission and Distribution Department, and Steam Heat Department, erroneously list classifications as "Next Lower" when they earn a higher rate of pay than the classification to which they are bidders. In the below listed lines of progression, the following classifications (*) should be placed in the columns entitled, "Same or Higher Classifications".

1. 1300 Gas Mechanic - \$499.20 - Listed as next lower is:
*1365 Measurement and Control Mechanic - \$513.45
2. 0561 Apprentice Fitter - \$382.50 - \$420.90 - Listed as next lower are:
*0465 Heavy Truck Driver - \$443.95
*1645 Equipment Operator - \$453.05
*1650 Heavy Equipment Operator - \$463.35
