Subject: Traveling Maintenance Crew Expenses

Dear Mr. McNally:

The annual survey on reasonable costs for Steam Generation Traveling Maintenance Crews has been taken. On the basis of this survey, the daily guide for traveling maintenance crew expenses should be increased to \$33 per day, effective January 1, 1988. Attached is the breakdown of costs by area.

Also, using the agreed upon formula, we have omitted the San Francisco area to establish the daily allowance of \$32 per day for those areas specified in letters of agreement 85-14 (Southern area Hydro-Fresno) and 86-53 (Central Area Hydro-Stockton).

Sincerely,

RICHARD B. BRADFORD
Manager of Industrial Relations
