Subject: Traveling Maintenance Crew Expenses

Dear Mr. McNally:

Attached is the annual survey on reasonable costs for Steam Generation Traveling Maintenance Crews and the letter announcing the rates it establishes for 1991.

You will note that using the calculations agreed to in Letter Agreement 85-14, the rate established for Southern Area Hydro is equal to the rate for Steam Generation crews, i.e., \$37.00 per day.

Sincerely,

David J. Bergman

STEAM GENERATION PLANT MANAGERS

The annual survey of reasonable costs for Traveling Maintenance Crews has been completed by the Steam Generation Department (Attachment 1). On the basis of this survey, the daily allowance for traveling maintenance crews in the Steam Generation and Nuclear Power Generation Departments has increased from \$36.00 in 1990 to \$37.00 in 1991.

The \$37.00 per diem is also applicable to parts of the Hydro Generation Department as specified in Letter of Agreement R2-85-14-PGE (Southern Area Hydro).

Survey of Reasonable Costs - 1991

BRETT D. KNIGHT:

Attached is the summary of the 1991 survey of reasonable daily traveling crew expenses. The survey includes expense for meals, laundry, telephone, and miscellaneous costs. The survey results indicate that reasonable daily expense for Steam Generation traveling maintenance personnel has increased from \$36.00 in 1990, to \$37.00 in 1991.
