RE LETTER OF
SUBJECT Shasta Division Grievance No. 13-74-2
 Alleged Violation of Title 205
 P-RC 94

November 25, 1974

MR. A. E. HENDERSON, Chairman
Shasta Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for settlement in accordance with the following:

The Joint Statement of Facts indicates that the grievance was discussed by the Joint Grievance Committee at the February 1974 Joint Grievance Committee meeting, and at that time the case was referred to Review Committee for settlement. However, the grievance was not received by the Review Committee until September 18, 1974. It is evident that the mandatory time limits provided for in Section 102.11 of the Physical Agreement have been ignored, and for that reason the Review Committee will not pursue the matter further.

Unless there are extenuating circumstances as to why the Joint Grievance Committee needed approximately six months to obtain the upgrading of the data contained in the Joint Statement of Facts, the case will not be docketed on the agenda of the Review Committee. It appears to the Pre-Review Committee that if the data that was obtained during this period of time is relevant to the issue at hand, it would be in order for the Joint Grievance Committee to again review and attempt to settle the case in view of this additional information.

L. V. BROWN, Chairman
Review Committee
